during the course of an illegal property development in the volcanic garrotxa region
of spanish catalonia a mummified knight encased in lava and clutching a puzzle box
is unearthed the puzzle box contains three ancient scrolls two written on parchment
the third on human skin the first two scrolls contain a contemporary version of the

new testament as opposed to the authorised version which was written up more than 250 years after the events it describes the main difference between the contemporary version recorded on the first two scrolls and the authorised version is that they recount how christ was flayed before he was crucified a detail too harrowing to be recorded in the authorised version the third scroll is written on a fragment of the flayed skin for which the roman soldiers had thrown dice at the crucifixion once this knowledge becomes public it sparks a scramble amongst fanatics to acquire the third scroll by any means and enable the second coming

john mccallum s new history explores the relationship between 20th century australian drama and a developing concept of nation the book focuses on the creative tension sparked by dueling impulses between nationalism and cosmopolitanism and between artistic seriousness and larrikin populism it explores issues such as the domineering influence of european high culture the ongoing popularity of representational realism the influence of popular theatrical forms the ambivalence between affection and aggression of much australian humour and satire and the interaction between the personal and the political in drama the strength of belonging is its comprehensiveness anyone studying an australian play will find an account of it here in the context of the other works by its author or the time and place in which it was written as well as a rundown of the major writers and their

works and an account of how the minor writers fitted in the book also investigates the more obscure plays and writers about whom little has been written this authoritative study of Australian drama gives an account of the relationship between our theatre and our sense of self while taking into account a broad range of influences that helped to shape both
