benjamin harrison was an early proponent of american expansion in the pacific a key figure in such landmark legislation as the sherman anti trust act and the mckinley tariff and one of the gilded age s most eloquent speakers yet he remains one of our most neglected and least understood presidents in this first interpretive study of the harrison administration the authors illuminate our twenty third president s character and policies and rescue him from the long shadow of his charismatic secretary of state james g blaine an ohio native and indiana lawyer harrison opened the second century of the american presidency in a rapidly industrializing and expanding nation his inaugural address reflected the nation s optimism the masses of our people are better fed clothed and housed than their fathers were the facilities for popular education have been vastly enlarged and more generally diffused the virtues of courage and patriotism have given proof of their continued presence and increasing power in the hearts and over the lives of our people but the burdens and realities of his office soon imposed themselves upon harrison the biggest blow came at midterm with the republicans devastating losses in the 1890 congressional elections in an era of congressional dominance those losses eroded harrison s position as a legislative advocate at least for domestic issues his impact in foreign affairs was more lasting one of the highlights of this study is its revealing look at harrison s visionary foreign policy especially toward the pacific socolofsky and spetter convincingly demonstrate that although harrison s ambition to acquire the hawaiian islands was not realized during his presidency his foreign policy was a major step toward american control of hawaii and american expansion in the far east

this memorandum requests the immediate reallocation of a total of sdr8 1 million us 1115 million equivalent of credit proceeds under eight operations to support the sars and infectious diseases response program hereafter referred to as the program the objective of the program is to 1 address emergency needs for w s related diagnosis clinical management and personal protection that are necessary to bring the current epidemic fully under control and 2 support the government s efforts to strengthen the capacity of the public health system more generally so that china s health system is prepared to

combat the possible re emergence of sars and equally important similar infectious disease threats that might occur in the future there are 3 program components component 1 supports program planning coordination and policy development activities component 2 supports clinical management of sars patients including setting up fever clinics renovating designated sars hospitals and wards training female and male health care workers strengthening personal protection measures for health care workers providing emergency supplies undertaking regular supervision and carrying out operational research component 3 supports disease prevention and control with a focus on sars and other infectious diseases including strengthening disease surveillance and case reporting the eight operations comprise the environmental technical assistance project report no p6056 the loess plateau watershed rehabilitation project report no 12593 the yangtze basin water resources project report no 13674 the southwest poverty reduction project report no 13968 the national rural water supply project report no 16380 the basic health services project report no 17403 the fourth rural water supply and sanitation project report no 19226 and the enterprise reform project report no 19300 in all cases the reallocations would neither compromise the original objectives nor the economic viability of the eight projects concerned the respective development credit agreement for each of the eight operations listed will be amended to add a new component covering activities to be carried out under the sars and infectious diseases response program and to enable credit proceeds to be used to fund the activities for activities that will be carried out by provinces agreements will be entered into with each province for the carrying out of such activities using the proceeds of the credit
