though they have never met cassie is coming to think of e l as her truest friend lately it feels as though cassie s life has been slowly collapsing around her her beloved grandfather has died her father has just moved out of the family home and her mother is drinking more than she used to but when she talks to e l she feels less alone however cassie isn t entirely sure that e l is real a slave girl living in 1840s south carolina e l visits cassie first in her dreams then begins to speak to her while she s awake are their conversations a sign that cassie has inherited her grandfather s gift of communicating with the dead or is cassie slowly losing her mind as the young women become closer across the miles and years that separate them they find solace in each other and as cassie learns of the horrors of e l s reality she resolves to help her escape but is e l s future already written and could cassie s obsession damage her own life beyond repair powerful moving and unforgettable i m right here is a beautifully told story of friendship love and courageous hope

hailed as a classic in music studies when it was first published in 1977 early downhome blues is a detailed look at traditional country blues artists and their work combining musical analysis and cultural history approaches titon examines the origins of downhome blues in african american society he also explores what happened to the art form when the

blues were commercially recorded and became part of the larger american culture from forty seven musical transcriptions titon derives a grammar of early downhome blues melody his book is enriched with the recollections of blues performers audience members and those working in the recording industry in a new afterword titon reflects on the genesis of this book in the blues revival of the 1960s and the politics of tourism in the current revival under way

apex blues chronicles the extraordinary lives and musical legacies of two generation spanning jazz clarinet virtuosos jimmie noone sr and his son jimmy noone jr jimmie noone sr rose to fame in the 1910s new orleans french quarter jazz scene forging his iconic sweet lorraine style during the dawn of the genre later his son jimmy initially made waves as a san diego local musician before feeling called to follow in his father s footsteps he set out to revive his dad s new orleans jazz sound and mentorship as the author witnesses firsthand jimmy exceeds even his father s musical heights through raw talent and relentless dedication to his craft in his final days he completes his quest to honor jazz history by propelling his father s sound into the future jimmy cements the noone legacy ensuring the nation remembers what sublime jazz can be spanning generations geographies and evolutions of musical style apex blues captures how two clarinet greats shepherded jazz from regional obscurity into an acclaimed american art form

providing a comprehensive history of the baltimore black sox from before the team s founding in 1913 through its demise in 1936 this history examines the social and cultural forces that gave birth to the club and informed its development the author describes aspects of baltimore s history in the first decades of the 20th century details the team s year by year performance explores front office and management dynamics and traces the shaping of the negro leagues the history of the black sox s home ballparks and of the people who worked for the team both on and off the field are included

available again in paperback going to cincinnati takes readers into the queen city s long overlooked blues scene steven c tracy s award winning book blends history and analysis with full biographical sketches of bluesmen like albert washington h bomb ferguson big joe duskin pigmeat jarrett the result is a celebrated one of a kind portrait of a scene filled with unique and talented musicians and essential to understanding american blues

throughout his life louis armstrong tried to explain how singing with a barbershop quartet on the streets of new orleans was foundational to his musicianship until now there has been no in depth inquiry into what he meant when he said i figure singing and playing is the same or singing was more into my blood than the trumpet creating the jazz solo louis armstrong and barbershop harmony shows that armstrong understood exactly the relationship between what he sang and what he played and that he meant these comments to be taken literally he was singing through his horn to describe the relationship between what armstrong sang and played author vic hobson discusses elements of music theory with a style accessible even to readers with little or no musical

background jazz is a music that is often performed by people with limited formal musical education armstrong did not analyze what he played in theoretical terms instead he thought about it in terms of the voices in a barbershop quartet understanding how armstrong and other pioneer jazz musicians of his generation learned to play jazz and how he used his background of singing in a quartet to develop the jazz solo has fundamental implications for the teaching of jazz history and performance today this assertive book provides an approachable foundation for current musicians to unlock the magic and understand jazz the louis armstrong way
