the new diana poole crime thriller takes our amateur sleuth deep into southern california s underworld to uncover the mystery of a diamond encrusted scorpion and the reason for the murders that follow in its wake diana poole s last movie was a flop but she earned enough money to fix up her malibu house one afternoon standing outside it she sees a woman across the highway waving at her diana doesn t recognize her still waving the woman walks into the oncoming cars and is killed instantly why would anyone do that the next night while still horrified by the accident diana is held at gunpoint by a man demanding the dead woman s scorpion what kind of scorpion a live one a brooch a pendant diana searches the accident scene and finds a diamond encrusted object in the shape of a scorpion breathless she remembers her movie star mother showing it to her the last time she saw her alive did the woman who was waving at her want her to see it was the woman s death really an accident why did the gunman want the scorpion did her mother really die of natural causes could it have been murder with the diamond encrusted object as her only clue diana goes on a heart pounding journey determined to find answers but asking a lot of questions can upset people especially the unpredictable killer who is stalking her

this fictional work tells the story of a unique and lasting bond that develops between three individuals from very different backgrounds whose worlds collide in manchester england in the late 1980 s although set mainly in manchester london and nassau bahamas pivotal parts of the story are set in los angeles california and new york city stephen taylor is a young west indian man who tries to loosen the shackles of a small town upbringing when he moves to england to attend university he is troubled by the guilt that stems from his inability to accept his homosexuality and does everything in his power to hide from himself despite developing a powerful bond with suresh patel a young gay british man of indian extraction and tanya collings a troubled canadian young woman stephen eventually returns to the bahamas where old demons resurface to haunt him his path to self discovery is fraught with challenges which include a nervous collapse a loveless marriage and the rejection of the man he truly loves ultimately however he finds redemption and himself tanya collings is a young canadian woman who has endured unfathomable physical and sexual abuse at the hands of her parents she meets stephen and suresh soon after escaping to england and develops a special bond with them that ultimately helps her to heal her damaged life although she generally distrusts all men with the exception of her friends stephen and suresh she eventually meets michael rouse a young englishman with

whom she falls in love and finally marries suresh patel is a brash often coarse self assured british man of indian parentage who is aware of his homosexuality from an early age and accepts it completely he moves to manchester after being rejected by his family and suffering a succession of tragedies suresh is the glue that holds the story together providing a source of strength for tanya and stephen despite the challenges that he himself faces ultimately the story is one of hope of how the power of love helps three very damaged people heal their lives and those of the friends who come to mean more than family it is a story that transcends the boundaries of race colour class and sexual preference and will likely appeal to men and women everywhere who have had to grapple with issues of incest sexual and physical abuse bisexuality homosexuality violence and aids in the author s view the story is particularly pertinent to the current international debate on issues surrounding gay relationships in the united states the catalyst for the current discussion has been the subject of marriage between same sex partners but at its foundation the matter is far more complex than that cultural and religious taboos intolerance and ignorance are all a part of the current global pre occupation with gay bisexual and trans gendered persons and these are all subjects that are explored and debated in when worlds collide
