this book describes the personal journey of a collection of contributors detailing their pathways to becoming psychoanalysts and psychotherapists with insights from many of the most interesting analysts in the field the history of psychoanalysis and psychotherapy indicates that the pioneers were individuals who came from different pathways such as medicine law education and art the integration of men and women with different educational and career backgrounds enhance the intellectual and clinical evolution of the field here arnold rachman and harold kooden have invited a diverse group of practicing clinicians to demonstrate that psychoanalysis and psychotherapy continues to welcome and integrate individuals with a wide variety of intellectual interests and atypical career pathways in showing how varied and personalized the route into analysis can be this book will be of great interest to clinicians of all levels and experience and will offer inspiration to those just entering the profession

first published in 1958 free associations is the story of the early life of ernest jones it was prepared for publication by his son mervyn who contributed an epilogue covering the period from 1918 when this book ends through jones s death in 1944 this new edition includes a reflective introduction by mervyn jones in which he writes about ernest jones as i could not write in 1958 one of the pioneers in psychoanalysis ernest jones was active in advancing the status as well as the development of the field in the wider forum of public opinion he made himself an advocate of the new science the huxley he liked to say to freud s darwin huxley had ranked below darwin in creative originality and had filled the role of the faithful and indispensably useful follower and mervyn jones believes both freud and jones were pleased by the comparison in addition to his important public and organizational roles as president of the british and international psychoanalytic associations jones made significant contributions to psychoanalytic theory when the nazis invaded vienna he saved much of the assets and archives of psychoanalysis at great personal risk and made the arrangements for freud to come to london in his introduction mervyn jones presents a sometimes surprising portrait of a thoroughly conventional man in what was then an unconventional profession he describes tensions and conflicts among the early freudians and situates freudianism with other theories that laid claim to scientific truth in the late nineteenth century free associations presents an evocative picture of wales and london at the turn of the century and describes the developing profession of psychoanalysis it is a dramatic story of success and failure and of a young man and how he responded to the new strange ideas of freud this book fills in our understanding of the history of psychoanalysis and its founders

much has been written about the lives of male physician psychoanalysts but little has been recorded about their wives and families who travel with them through their long medical training experience in memoir of a psychoanalyst s wife author jane linker schwartz offers a look at her life and how psychoanalysis helped shape her during the twentieth century as a nonagenarian and part time psychotherapist her long life reaches back to 1925 schwartz lived through the great depression the second world war and the aftermath of those turbulent years during the 1960s and 1970s she was a young white middle class american woman married to a psychiatrist psychoanalyst her collected memories throughout the years are mixed with a strong flavor of the history of american psychoanalysis while sharing schwartz personal story this memoir also chronicles the changes that took place in the twentieth century when the women s movement questioned the role of the traditional wife and mother as it was affected by professional ambitions outside the home it examines competition between married partners regarding professional status and whose work was more important it also traces changes in women s behavior toward home responsibilities and children

in this unique and uplifting work dr claudia luiz reveals why psychoanalysis is more relevant than ever perhaps the only discipline currently suitable to help solve

the mystery of our emotional challenges in gripping stories about people struggling with depression anxiety sexual dysfunction attention deficit disorder add and more luiz brings us right into each treatment where we discover how psychoanalysts today prepare their patient's mind for self discovery following each story absorbing commentaries acquaint the reader with the theories of the mind that currently guide treatment and the innovative clinical techniques that are revolutionizing the field including how luiz learned to integrate her own emotions as therapeutic instruments for diagnosis and cure the making of a psychoanalyst is an ideal book for psychoanalysts and psychotherapists in practice and in training mental health professionals working in social care and students interested in the evolution of an undying discipline that embodies personal narrative anyone interested in knowing how two human beings interact with each other to effect profound change will want to read this book

student and protege of sigmund freud helene deutsch was one of the most influential psychoanalysts of her time an early woman analyst deutsch was an ardent feminist and a leading proponent of freud's controversial theories about the psychology of women deutsch was also one of the first prominent career women to combine a professional life with motherhood even though she never resolved her own conflicts over those contradictory demands at the time of her death in 1982 at the age of 97 helene deutsch was the last survivor of freud's original circle from vienna this volume is a definitive account of the life and works of this remarkable and enigmatic woman the author knew deutsch personally and was given exclusive access to her papers after her death the private life of helene deutsch was as unconventional as her professional life while felix deutsch a physician who specialized in psychosomatic medicine was to remain her husband for fifty years and father her son martin their relationship was highly eccentric roazen produces evidence that indicates felix deutsch may have been homosexual also that their son was raised primarily by felix as helene was more interested in her career than was felix in his and the deutesches often lived continents apart with the rise of nazism helene deutsch departed in 1935 for america she was welcomed in cambridge massachusetts by the boston psychoanalytic society and was made director of the society's new institute for the training of analysts her two volume the psychology of women published in 1945 remains one of the foundations of modern analysis roazen's biography is an authoritative portrait of a pioneer of psychoanalysis and one of the unique women of her day it will be of interest to psychoanalysts cultural historians and specialists in women's studies

in short private notes of a psychoanalyst is wise uplifting and inspiring salman akhtar brings his talent for poetic literature to gift us 111 pithy proto essays on a wide range of subjects his meditations touch upon mental health humor death animals freud religion children and so much more he imparts his advice with the lightest of touches willing you to partake consider and refine his offerings his aim to further the cause and message of his beloved psychoanalysis

an important prerequisite for becoming a psychoanalyst is the candidate's supervised control case the significance of this method of training becomes clear in this

intense study of an actual ongoing supervision from a variety of viewpoints

a long time editor of the new penguin modern classics translations of sigmund freud offers a fresh look at the father of psychoanalysis

from the introduction by paul diel this personal diary of a psychoanalytic patient illustrates a method of healing which unlike retrospection and pansexuality is based on the study of inner motivations considering that the search for truth especially the truth about oneself is a need common to all human beings and one which runs deeper than the need for camouflage i felt it might be useful to publish this document this diary but documenting the author s progress may help the watchful reader recognize himself and encourage him in the secret battle being waged within his own mind

looking back is the unusual memoir of a senior figure in the international psychoanalytic community dr paul ornstein was one of the small and distinguished group of holocaust survivors physicians who came to the u s after the second world war and became prominent in american psychoanalysis his memoir traces his route from a small town in hungary to budapest s neolog rabbinical seminary to a hungarian forced labor battalion through medical school in post war heidelberg to the chicago institute for psychoanalysis to cincinnati ohio where he became a prominent professor of psychiatry and a leader of the psychoanalytic self psychology movement how does one begin to identify and evaluate a well lived life i thought again of this question as i read paul ornstein s lovely and surprisingly profound memoir titled simply looking back memoir of a psychoanalyst if you want to know what a life well lived looks like read this book ornstein all of his personal and professional accomplishments and contributions notwithstanding possesses an endearing humility its tone colors the memoir for entrée into a life history that spans the great events of the last century that charts the growth and development of psychoanalysis into a humanistic and humane endeavor and that depicts a life very well lived i commend looking back memoir of a psychoanalyst joye weisel barth international journal of psychoanalytic self psychology paul ornstein s remarkable life has taken him from a cheder in a hungarian town to the budapest rabbinical seminary through the holocaust to the summit of his psychoanalytic profession this memoir tells this story in vivid and often moving fashion including his dazed postwar search for surviving family members the tenderness of his romance and reunion with his beloved wife and collaborator anna their improbable postwar study of medicine among former nazis at heidelberg his use of hypnosis to cure a paralyzed aide to a legendary congressman to his development along with anna into a towering figure in self psychology paul who has been fortunate to have helen epstein as his co author enriches the book by using his penetrating insight to analyze his own motivations and foibles and those of colleagues and teachers the reader comes away astonished by how paul was able to transcend trauma and retain a spirited delight in living and a lifelong sense of optimism joseph berger veteran reporter the new york times and author displaced persons growing up american after the holocaust in this memoir paul ornstein describes his remarkable and moving personal historical and professional life journey losing many family members his community and his country in the shoah yet

being blessed from the beginning with a resilient optimism and clear eyed certainty about what he can accomplish and who and what matters to him family first and foremost friends community and identity and being a psychoanalyst looking back including photos and accounts of ornstein s close relationship with his long lived survivor father with michael balint and with hans kohut could be called my father s culture it serves as companion volume to his beloved anna s my mother s eyes dr nancy j chodorow author the power of feelings individualizing gender and sexuality and other works professor of sociology emerita university of california berkeley lecturer on psychiatry harvard medical school training and supervising analyst boston psychoanalytic society and institute paul ornstein was one of the psychoanalysts who came to the u s from europe after the second world war and became a central figure in american psychoanalysis he and his wife anna have made an essential contribution to establishing heinz kohut s self psychology as an important part of our pluralistic psychoanalytic world the book is a portrait of a fine psychoanalyst and a fine human being dr arnold richards editor internationalpsychoanalysis net publisher ipbooks net former editor japa it is rare for a psychoanalyst of paul ornstein s generation and stature to share his personal and professional history dr ornstein s story is unique and fluently written with journalist helen epstein provides a way for mental health professionals and lay people alike to learn how one can overcome apocalyptic trauma students of psychoanalytic history will get a window onto the hungarian tradition that stretches from ferenczi to balint to ornstein as well as the politics of the american psychoanalytic community chiefly in cincinnati and chicago dr ornstein s story demonstrates how determination perseverance and love can conquer all dr eva fogelman author of conscience and courage rescuers of jews during the holocaustand co producer of breaking the silence the generation after the holocaust looking back is like its author direct without frills but leaves the reader thinking about some of the big questions and like the story of passover paul ornstein s story is one that demands telling and retelling lester lenoff msw lcsw consulting editor psychoanalytic inquiry editorial board the international journal of psychoanalytic psychotherapy as a survivor paul ornstein is a model of resilience turning his shoah experience into a lesson in living as a psychoanalyst he was able to distance himself from ego psychology and to acknowledge under the influence of kohut the clinical importance of empathy an evolution that had numerous equivalents in other countries and especially in france the result is an important book both moving and intellectually challenging dr rachel rosenblum paris psychoanalytic society recipient of the 2013 hayman award this memoir conveys one man s experience of the holocaust and how he was able to reconstruct a life after the war uniquely it also gives us a feel for what was a seismic event in analytic circles in the 20th century the birth and growth of self psychology from horror to empathy not a bad journey to read about in a short succinct book dr michael rosenbluth frcpc chief department of psychiatry toronto east general hospital associate professor university of toronto this memoir is a gem rich and deeply personal as well as a chronicle of a remarkable life lived during a remarkable time and those photos they are stunning dr james fisch editorial board international journal of psychoanalytic self psychology

taking oneself playfully is a fascinating journey into the life and work of marta badoni a highly respected adult and child training analyst in italy and france the book is mainly formed of a collection of essays written in different moments of her life skilfully woven together to recount badoni s life in parallel with the evolution of

her thinking and her clinical work drawing on influences from Winnicott and Bion we explore the importance of the body and of the dialogue between analyst and patient in Badoni's theoretical and clinical development the book offers a remarkable interplay of personal reflection and confidence with theoretical insight and illuminating clinical material this is the first book in English to explore Badoni's full contribution to psychoanalysis offering a playful yet deep exploration of the making life and work of a psychoanalyst this is key reading for all psychoanalysts

How does a psychoanalysis begin what goes on when analyst and prospective analysand meet for the first time and what processes are activated to make the project for an analysis possible this unique contribution to the surprisingly sparse literature on this most essential aspect of the psychoanalytical practitioner's work is the clinical companion to initiating psychoanalysis perspectives also part of the teaching series of the new library of psychoanalysis replete with clinical illustrations this book is based on the findings of an ambitious research project on first interviews carried out from 2004 to 2016 by an international group of psychoanalysts the working party on initiating psychoanalysis WPIC of the European Psychoanalytic Federation the authors all members of the investigative team are senior psychoanalysts from member societies of the European Psychoanalytic Federation all with extensive experience in the practice and teaching of psychoanalytic consultation psychoanalysts and analytic therapists in particular those in training or setting up their practice will find beginning analysis to be essential reading in deepening their understanding of how analysand and analyst arrive at the decision to begin analysis
