peter barbieris final novel in his trilogy continues with emily maddings journal in it emily documents pale moons narration of life in her pale moon ninth century native american village pale moons connection to emily a woman living in the nineteenth century enables the two women to dream travel to each others time band thus begins a celestial relationship that endures for centuries emily frequently dream travels to the ninth century village and is present during the birth and much of the subsequent twenty year life of pale moons nephew teh ghut sa the narration recounts the periods during which teh ghut sa undertakes two vision quests the first at

age thirteen the second at age twenty as events unfold an imbalance in the interstellar positive negative polarity develops emilyher ability to dream travel to time bands within the past present and future reveals several possibilities that would result if the balance tips in favor of the negative polarity if the imbalance were to progress unaltered mayhem and death would result when teh ghut sa age twenty returns from his second vision quest he becomes the target of a negative polarity plot the confrontation s eventual outcome will affect the lives of all beings residing in the known universe a more immediate consequence the stream of consciousness that had given rise to the mind consciousness of many village inhabitants would be obliterated along with the lives of those connected to it

in the west shortsighted human self interest has resulted in devastating environmental losses the fur trade decimated beaver populations and streams and wetland ecosystems deteriorated though most mining ceased by the late 1920s water running from the pacific mine nearly a century later still carried ten times the lead level standard set by the federal clean water act where grazing depleted native bunchgrasses fire prone cheatgrass grew in its place migrating from idaho streams salmon once reached the ocean in ten to fourteen days now it takes fifty or more in 2016 a snowstorm blew a flock of snow geese off course they landed on contaminated water and about three thousand died author niels s nokkentved takes a fresh look at environmental challenges affecting northwest residents his essays examine cultural conflicts over resource extraction threats to watersheds from abandoned mines wolf recovery in the northern rocky mountains the lingering effects of livestock grazing on western rangelands and the rapidly disappearing sage grouse they discuss the importance of forest fires the value of beavers the failed promises of salmon hatcheries the reasons behind the decline of the timber industry in the pacific northwest and how unlikely allies learned to set aside their differences in order to resolve long standing disputes nokkentved s goal is to encourage people to think like a mountain in other words to consider the long term consequences he shares his connection to each concern as well as his own evidence based perspective he believes that it most profits society collectively and as individuals when people respect the balance of nature and he wants to draw others to the same conclusion

the planet and humanity are still recovering from the wrath of the outsiders and the end of reality a disenchanted guardian who participated in the fight has his memories intact and goes looking for answers after finding an archangel s blade that lets him tap into the powers of heaven shane decides it s time for the world to return to god and he s the one to lead the way he gives power armor to the faithful and creates an army of crusaders to take over the world convert or die this all or nothing approach soon encounters resistance that escalates into a war no one is quite ready for
