music description and access solving the puzzle of cataloging is both a textbook for students and a handbook and reference source for practicing catalogers the bulk of the book is a step by step guide to cataloging music materials with dozens of examples showing images of published scores or audio recordings content and encoding are treated separately using rda and marc21 interspersed in the chapters on practical cataloging are short historical asides essays putting particular devices or conventions into context these essays supplement a chapter on cataloging history which follows an introductory chapter that sets the stage for the task at hand the book ends with a chapter by maristella feustle on describing and providing access to music special collections using both archival and rare music cataloging standards aids in navigating the book include an index plus multiple lists and tables a bibliography and a list of cataloging tools that are available online are also given

a candid and eye opening inside look at the final decades of sinatra's life told by his longtime manager and friend eliot weisman by the time weisman met sinatra in 1976 he was already the voice a man who held sway over popular music and pop culture for forty years who had risen to the greatest heights of fame and plumbed the depths of failure all the while surviving with the trademark swagger that women pined for and men wanted to emulate passionate and generous on his best days sullen and unpredictable on his worst sinatra invited weisman into his inner circle an honor that the budding celebrity manager never took for granted even when he was caught up in a legal net designed to snare sinatra weisman went to prison rather than being coerced into telling prosecutors what they wanted to hear with weisman's help sinatra orchestrated in his final decades some of the most memorable moments of his career there was the duets album which was sinatra's top seller the massive tours such as together again which featured a short lived reunion of the rat pack until dean martin having little interest in reliving the glory days couldn't handle it anymore and the ultimate event tour which brought liza minelli and sammy davis jr on board and refreshed the much needed lining of both their pocketbooks weisman also worked with many other acts including steve lawrence and eydie gorme and an ungrateful don rickles whom weisman helped get out from under the mob's thumb over their years together weisman became a confidant to the man who trusted few and he came to know sinatra's world intimately his wife barbara who socialized with princesses and presidents and tried to close sinatra off from his rough and tough friends such as jilly rizzo nancy jr who was closest to her dad tina who aggressively battled for her and her siblings rights to the sinatra legacy and was most like her father and frank jr the child with the most fraught relationship with the legendary entertainer ultimately weisman who had become the executor of sinatra's estate was left alone to navigate the infighting and hatred between those born to the name and the wife who acquired it when a mystery woman showed up and threatened to throw the family's future into jeopardy laden with surprising moving and revealing stories the way it was also shows a side of sinatra few knew as a lion in winter he was struggling with the challenges that come with old age as well as memory loss depression and antidepressents weisman was by his side through it all witness to a man who had towering confidence staggering fearlessness and a rarely seen vulnerability that became more apparent as his final days approached

the new edition of this classic text retains its tradition as the most comprehensive up to date guide to the music industry in the united states richly illustrated the volume includes complete coverage of all aspects of the music business including songwriting publishing copyright production artist management promotion and retailing there is a detailed section on careers in the music industry with specific advice on getting started in the business and directories of professional organizations
