you're mine now. Amara doesn't fight it. Rian's voice vibrated through her as his hands gently but firmly cupped her face. A shiver ran down Amara's spine both from the heat in his touch and the fire in his gaze. She wanted to resist but her body betrayed her. Amara Ashford never asked for this life, the illegitimate daughter of the alpha of the Strathmore pack. She'd always known her place as an omega, hidden in the shadows, her dreams suppressed by the crushing expectations of her pack. She dreamed of something more, freedom, independence, a life where she wasn't bound by the cruelty of those around her. But when she thought she could escape to a better life, fate intervened. Now Amara is an unwilling bride offered to the infamous triplet alphas, Caius, Rian, and Declan, of the Vesper pack, known as the demon lords of the underworld. Their terrifying reputation precedes them, their past brides gone, their power unmatched. Tonight she is to be claimed, but Amara's world isn't about to be as simple as submission. As the night unfolds, the triplets' dominance and magnetic attraction pull her in deeper, testing her resolve. Each encounter leaves her breathless, each touch more intense than the last. And yet, Amara soon realizes that her bond with them is something far beyond mere control. It's a connection she cannot deny. In their arms, Amara learns what true power feels like and discovers a strength within herself that she never knew existed. She isn't just their omega; she is their equal, their fire, their unbreakable bond.

you're not just any she-wolf. Ava Lucas's voice softened, though it still held a wicked undertone. The moon goddess doesn't make mistakes; she gave you to all three of us. I stared at him, dread and curiosity twisting inside me. Three mates. Ava Wynter, the disgraced daughter of an alpha, has lived as a servant in her own pack, rejected, abused, and branded wolfless after a lie destroyed her life. But on the night of her eighteenth birthday, everything changes. Her wolf awakens, so does a dangerous, undeniable bond with all three alpha triplet brothers of the powerful Moonclaw pack. Zack rejects her, Kane claims her, Lucas desires her, but nothing is as simple as a mate bond. Secrets run deep in the blood, moon prophecy, and Ava is no ordinary wolf. As her hidden powers emerge and dark forces rise, Ava must decide: will she run from her fate or rise to become the Luna who changes everything?
