people are who they are because of what they have been through where they came from who they learned from and all the things that have happened to them the same is true not just for individuals but also for families communities and nations america too has its own unique character also formed by its memories history things it has been through and what it has learned if people communities or even nations lose their memory they lose their character that is why cultures throughout the world work at maintaining their identity and passing traditions along to future generations but what if a nation purposely decides it no longer wants to remember its history what if a country imposes amnesia on itself helen krieble argues persuasively that this is precisely what has happened to america it has lost the memory of its own founding principles and the sacrifices made over the past 250 years to preserve them the nation is losing its character she writes that america cannot be preserved as the last best hope of earth if its own people no longer understand why that is true and are no longer willing to do what it takes to preserve it the duties of citizenship are vitally important krieble writes but they are not complicated it is our duty as the owners to defend our freedom against all threats and to pass it along to future generations undiminished americans are failing in that duty but krieble says there is still time to cure our national amnesia it begins with rebuilding our understanding of and commitment to those founding principles regaining our national memory

a psychologist and creator of the popular blog wtf is up with my love life describes modern non dating practices while profiling ten male personality types with whom such activities can be enjoyed in fulfilling ways

keep your friends close keep your nemesis closer after nearly five years of avoiding him briggs goswick may have appeared at my feet on horseback like a handsome white knight but in fact he is a certified man child briggs may be many things a society darling annoying attractive so unfair and heir to an elite family helpful but after humiliating me at a ball several years ago he is primarily my archnemesis his presence has made this summer go from bad to complicated i have the weight of saving my family s name and finances solely on my shoulders while i endure an endless parade of dreary balls and insufferable suitors to make a favorable match but i have another idea a business venture to save my family all i need are investors and as for briggs he s hiding a secret as well he s flat broke now the person i loathe the most in this world is just as trapped as i am both penniless and our households depending on us to save them and i think i know how all i have to do is play nice with the very devil i ve sworn to hate his society connections can boost me from near obscurity to help me win over investors for my business and perhaps i can help him woo an aloof heiress with deep pockets it s a long shot it might even work but do i want it to

sarah bartlett was an academy award nominated film star an emmy nominated television actress and a tony nominated stage performer she was also awarded her very own varsity jacket by the former director of the us department of music s federal hip hop administration appearing in over 20 films including hearts of sorrow hearts of celery perkwit s secret bramboráky the

fourth installment of the blurg movies and shadow of the fish she also starred on stage in such shows as howling at the moon the dog musical billiard balls of death and dreadful about those shock treatments eh the woman was also an accomplished musician who performed guitar and baglama not only with her own group zooey s lampshade but also with the hattiesburg symphony orchestra and industrial pole bean outlet with the palm frond and banana spider symphony orchestra and with the 56 elvis quintet at the memphis in november from too cool to too cold music art and law practice festival there were other sides to sarah sides that she preferred people not know much about sides involving queen victoria costumes drinking way too many sodas at one sitting and that whole ceramic curry serving bowl from 2400 bce incident which she knew would greatly upset anthropologists all over the world here for the first time is the entire story of sarah bartlett s life including her children her husband her boyfriend her shoes her toyota cadberry and her dreams some of them involving picture frames made of cheese some of them involving the poky little puppy some of them involving gloria swanson wearing a miniskirt a pair of orange flip flops and a t shirt with a picture of andy warhol and the phrase hey look i m a can of soup on it some of them involving cats with lobster claws for legs and some of them involving copious amounts of ranch dressing the book also includes over 150 illustrations and some of them actually make sense if you re looking for a book that offers the best ratio of cost per laugh look no further further farther wait let s think this through uhh farther has an a in it and measure has an a in it so farther relates to distance so yeah further is the right adjective to use the seattle drainpipe gazette says rigatoni is to books as cat hair is to dogs the farmington inquirer calls rigatoni unobtrusive mildly trapezoidal and looks great under some flowerpots and the tucson rock trader says if we crowdfund we can raise enough money to get this author the serious help he so obviously needs this isn t a cry for help this is a sustained scream through a set of peavey dark matter dm 118 powered pa subwoofer speakers

two gentlemen in a senior community begin an evening 1 tuck in service complete with guitars and serenading pawns queens kings the endgame follows these two men and four other residents as they look for their own versions of purpose esteem and companionship not all is fun and shenanigans as the realities of aging appear this bitter sweet narrative tenderly explores the needs and wants of the aged as well as their desire to die with dignity

social change and cultural division in america have accelerated in this century and further intensified with the covid 19 pandemic the george floyd incident and the two recent presidential elections seemingly settled issues social change to bring equal opportunity for minority populations and the basic importance of equal protection under the law have been upended or reversed americans are under extreme pressure grappling with upheavals over race education economic structure crime immigration and foreign policy for context it is instructive to review the years of radical social activity from the 1960s on and chronicle the positive achievements today s discourse has fractured and polarized us there is no longer a consensus on how to disagree in public america challenged the new politics of race education and culture provides needed analysis and commentary and presents viewpoints largely unreported in the mainstream press this book is of crucial importance to all who care about america reaching its fullest potential and for people who want to play a meaningful role in the continued development of our country

co published with more first generation students are attending college than ever before and policy makers agree that increasing their participation in higher education is a matter of priority despite this there is no agreed definition about the term few institutions can quantify how many first generation students are enrolled or mistakenly conflate them with low income students and many important dimensions to the first generation student experience remain poorly documented few institutions have in place a clear well articulated practice for assisting first

generation students to succeed given that first generation students comprise over 40 of incoming freshmen increasing their retention and graduation rates can dramatically increase an institution's overall retention and graduation rates and enhance its image and desirability it is clearly in every institution's self interest to ensure its first generation students succeed to identify and count them and understand how to support them this book provides high level administrators with a plan of action for deans to create the awareness necessary for meaningful long term change sets out a campus acclimation process and provides guidelines for the necessary support structures at the heart of the book are 14 first person narratives by first generation students spanning freshman to graduate years that help the reader get to grips with the variety of ethnic and economic categories to which they belong the book concludes by defining 14 key issues that institutions need to address and offers a course of action for addressing them this book is intended for everyone who serves these students faculty academic advisors counselors student affairs professionals admissions officers and administrators and offers a set of best practices for how two and four year institutions can improve the success of their first generation student populations an acpa publication

brimming with surprises and a mystery that's both stealthy and menacing a thriller featuring a female pi trying to exonerate her brother of a crime alex segura anthony award winning author of dangerous ends and blackout a late night phone call is never good news especially when you're roxane weary this one is from her brother andrew whose evening was interrupted by an urgent visit from addison a hip young dj and one time fling who turns up at his apartment scared and begging to use his phone she leaves as quickly as she appeared but now andrew is worried especially when addison never makes it home and her friends and family demand to know where she is as the police begin to suspect that something may have happened to her and that andrew is involved roxane tracks addison's digital footprint as she goes deeper and deeper into the events preceding her disappearance meanwhile a cop is found dead on the opposite side of town leading to a swirl of questions surrounding a dance club whose staff which includes addison has suddenly gone awol as roxane struggles to distinguish the truth from the stories people tell about themselves online it's clear that the mystery of addison's whereabouts is just the beginning building to a chilling and surprising conclusion the third book in lepiionka's shamus award winning series is both intricately plotted and character driven with a complicated protagonist library journal lepiionka's keen eye for integrating national news and technology into her developing characters plotlines produces a story that's timely in more ways than one kirkus reviews entertaining fans of plucky female detectives will look forward to roxane's further adventures publishers weekly

the new age of christ is two fold it is a look at achieving christ consciousness with a renewed perception of the teachings of christ this book is not about new age philosophy or reconstructing the teachings of christ it explores the rebirth and awakening of our spirit within through christ consciousness with a fresh look at the value of the teachings of christ as we evolve into a new enlightened era an excellent choice for the seeker of truth as well as the faithful who desire a deeper christ connection or those feeling lost or disconnected from organized religion every soul will benefit from a deeper look at the root teachings as well as how to open up to connect to the christ consciousness within us all a new and fresh look at what christ truly offers when finally we have achieved one love in the world christ will have returned

today's network administrators are fully aware of the importance of security unfortunately they have neither the time nor the resources to be full time infosec experts oftentimes quick temporary security fixes are the most that can be expected the majority of security books on the market are also of little help they are either targeted toward
