the area of silver creek township was settled in the 1850s by swedish immigrants who
left their ancestral home to face the challenges of life in the new world they cleared the
land and developed a prosperous farming community which they named enfield when a
post office was established in 1910 enfield was a booming farm community in the early
part of the 20th century with schools churches a potato warehouse a cheese factory and
its own baseball team the rural farm community thrived for a century but now the
farming way of life has given way to a residential bedroom community for nearby
minneapolis those first homesteaders are long gone but their legacy lives on and many
of their descendants continue to live and work in the community
