just as a harmony of the gospels is useful for tracing the life of our lord jesus christ this easy to use book provides the bible student with a reference guide to the history of the kings of judah and israel as preserved in the books of samuel kings and chronicles preceding the harmony itself is a complete analytical outline a concise sequential table of events that will give the reader a greater understanding and firmer grasp of the history of judah and israel students of scripture will find this harmony and its accompanying analytical outlines invaluable in gaining a historical perspective that will make the study of samuel kings and chronicles profitable and rewarding

this comprehensive resource features more than 400 projections and colour illustrations augmented by mri images for added detail to enhance the anatomy and positioning presentations

from the foreword in writing this book my aim has been not only to show the student how to manage and use the various possibilities but also when to introduce them a point which is obviously of prime importance one so often encounters students who can talk glibly about the treatment of all kinds of chords but who seem not to have the slightest idea of when to use them or how to know when their use is implied in a given part while the harmonisation of a melody or a bass is to a great extent dependent on the musical sensibility of the student it has to be realised that certain melodic progressions imply normally certain definite harmonies and these implications i have tried to make clear elementary work at least is largely compounded of commonplaces and my object has been as far as possible to show how the underlying commonplace may be spotted the treatment of certain matters has been deliberately restricted and limited for the sake of clarity and simplicity

this book presents a harmonized chronology of the new testament accounts for the period ad 57 58 all dates are approximate and are based on the determination that jesus was crucified on friday april 7 ad 30 every effort has been made to present an accurate chronology of the new testament events the 27 books of the new testament were written by several men of different

backgrounds and levels of education over a period of several decades under various circumstances e g on missionary journeys in prisons in exile on two different continents asia and europe yet there is a remarkable harmony in their eyewitness accounts and teachings such harmony provides strong evidence that the new testament scriptures were inspired by god otherwise the historical record of the new testament could not have been written with such unerring accuracy the purpose of this book is to highlight and trace this harmony hopefully it will serve as a tool in your study of the bible
