series you'll want to devour. Sam, I made a promise not to sleep with my new personal assistant too late. I'd already slept with her before I knew Grayson, my human resources director, hired her. Long story short, we first met at a café when she let me have the last apple turnover. Then I saw her again that same night at a bar. She was incredibly sexy, and she wanted me as much as I wanted her. We both agreed it was a one-time thing, and she left the following day. Imagine the shock on both our faces when she showed up for work on Monday. I wasn't a relationship type of guy, and for good reasons. Julia Benton had her own reasons why she wasn't looking to get involved with anyone. So continuing our sexual relationship was a win-win for both of us. But the more time we spent together, feelings I'd never felt before started to emerge. Then things became complicated, and she quit to pursue her dreams. I knew how much it meant to her, and I didn't care now that I'd lost her. I wanted her back in my life, and I would do anything to make sure that happened. Julia, he was the sexy and domineering man who wore an expensive suit, a man who cracked the hard shell I'd built around myself for the past four years. I wasn't looking for someone to save me, but Sam unintentionally did just that. Then I was given a chance to pursue my lifelong dream. He tried to stop it from happening by showing me exactly who he was. My only focus now was starting the business I'd always wanted and leaving Sam behind in the trail of a disaster he created between us. The problem was he truly was one of a kind, and I had to use every bit of strength I had to forget him. 18

From the New York Times bestselling author Sandi Lynn comes a brand new standalone romance. The only thing I ever wanted in life was a family of my own. I daydreamed about marrying the perfect man and starting a family more than I lived in reality. At the age of thirty, and many failed relationships, I discovered that maybe marriage and the perfect husband wasn't in the cards for me. My biological clock was ticking, so I decided to start a family on my own as a single woman living in New York City. After finding the perfect sperm donor from the New York Cryobank, I put my plan into motion. The only thing that mattered in my life was raising my child. Then, by some act of fate, I met a brutally handsome man, a man who didn't care that I was already pregnant. A man who made me swoon and swept me off my feet. He was too good to be true because, as far as I was concerned, guys like him didn't exist. I trusted him, and I fell in love. Until I found out the truth about him and his motives. My name is Harper Holland, and this is my story. It all started with a bet, a bet between me and my best friend. He won. I lost, and it was time to pay up. He promised me nothing would ever come of it, but something did. I was a rich and successful businessman who topped the list of New York's most eligible bachelors. A man who was anti-relationship in every way. My grandfather didn't like the way I lived my life and offered me an ultimatum: he gave me one year to meet someone and fall in love, or else the company that was rightfully mine would go to someone else. Harper Holland was beautiful and sexy. She was the perfect woman to ensure my grandfather signed his company over to me. After all, she was pregnant with my child. Only she didn't know I was the father. Once I got my company, I would end the so-called relationship. The problem was I never expected something so easy to become the hardest decision of my life. My name is Grayson Rhodes, and this is my story. 18
