this book critically analyses the influence of international policies and guidelines on the
performance of interventions aimed at reducing health inequities in latin america with special
emphasis on health promotion and health in all policies strategies while the implementation of
these interventions plays a key role in strengthening these countries capacity to respond to
current and future challenges the urgency and pressures of cooperation and funding agencies to
show results consistent with their own agendas not only hampers this goal but also makes the
territory invisible hiding the real problems faced by most latin american countries diminishing the
richness of local knowledge production and hindering the development of relevant proposals that

consider the territory's conditions and cultural identity departing from this general analysis the authors search for answers to the following questions why despite the importance of the theoretical advances regarding actions to address social and health inequities haven't latin american countries been able to produce the expected results why do successful initiatives only take place within the framework of pilot projects why does the ideology of health promotion and health in all policies mainly permeate structures of the health sector but not other sectors why are intersectoral actions conjunctural initiatives which often fail to evolve into permanent practices based on an extensive literature review case studies personal experiences and interviews with key informants in the region globalization and health inequities in latin america presents a strategy that uses monitoring and evaluation practices for enhancing the capacity of latin american and other low and middle income countries to implement sustainable processes to foster inclusiveness equity social justice and human rights p pp

el nuevo paradigma del marketing se centra en el poder económico de las ciudades de alto crecimiento o megaciudades marketing de ciudades es un fascinante análisis de la nueva dirección del marketing necesaria en un contexto de creciente urbanización y en pleno cambio de la economía global philip kotler y milton kotler explican cómo este nuevo rumbo de gestión empresarial se debe centrar en el poder económico de las principales ciudades globales y de sus regiones metropolitanas y cómo la fortuna y el progreso de estas ciudades y de las empresas que operan en su territorio están estrechamente relacionadas

para afianzar la guerra en el mercado ésta fue convertida en algo permanente total preventivo con un enemigo interno y difuso que pudiera ser cualquiera y estar en todas partes bajo la concepción y estrategia norteamericana este sistema ha adquirido una dimensión violenta con la que se definen a conveniencia las amenazas y se construye cada tanto la concepción mundial de enemigo no obstante lo que impulsa a la economía estadounidense es al mismo

tiempo lo que la hunde la intervención en supuestas transiciones a la democracia y el apoyo a la industria bélica tienen por respaldo un déficit económico que aumenta a medida que se promueven acciones expansionistas bajo este contexto maría José Rodríguez Rojas conceptualiza con el título de este libro el ciclo neoconservador presente en este momento histórico revalorar a América Latina en tanto reserva de recursos estratégicos es uno de sus objetivos y México como el país con el mayor número de acuerdos económicos y de seguridad con Estados Unidos junto con los peores resultados económicos y sociales ocupa un sitio importante en su análisis es a través de fuentes primarias y el análisis institucional que expone el saqueo y las formas de violencia propias de una situación de guerra dos de los elementos que dan base a una cultura que naturaliza la violación de la autonomía y reproduce códigos simbólicos en las prácticas cotidianas

this book may seem a simple accumulation of twenty one public space projects in eight latin american cities on closer inspection the presentation of project descriptions photographs and annotated drawings reflects a concern to analytically explain the operative aspects at work the publication is not intended to serve only as a catalogue guide or manual on how to produce public space in spontaneous settlements rather it goes beyond the aims of an index of best practices it is intended instead as an empirical base for a critical and theoretical engagement with the problematic of development social inclusion public investment in formal settlement civil society and the public sphere the publication achieves its final function at this third level by providing a compelling argument to expand the agency of architects and urban designers and creatively find ways of justifying financing and building public spaces in communities spaces that have a catalytic effectiveness in achieving significant urban and social transformation this book was awarded by a graham foundation grant and caf development bank of latin america featured case studies conservation 72 linear parks along the estero salado guayaquil ecuador 80 national park Babilonia and Chapu Manguera Rio de Janeiro Brazil 88 urban agriculture along the Rimac river lima peru waste management 96 Moravia ecological park medellin colombia 104 plaza la cruz la palomera caracas venezuela riskmanagement 112 el guasmo beach floodable park guayaquil ecuador 120 safety plazas in Santa Marta el Triunfo lima peru 128 recovery of the Juan Bobo creek medellin colombia infrastructure 136 northeast metro cable parks comuna 1 la popular medellin colombia 144 barrio las independencias escalators and walkways medellin colombia 152 funicular in Dona Marta Rio de Janeiro Brazil 160 Complexo do Alemo Rio de Janeiro Brazil 168 Ecotecnica Urbana Miravalle Mexico City Mexico pavement paths and the space surrounding buildings 176 pavement paths and stairs Cerro Santo Domingo and Cerro Toro Valpara
