richly illustrated with maps and reconstruction of everyday life this resource book explores the geography culture and history of the ancient world full color illustrations

the latest volume in the World Yearbook of Education series explores the relationship between education and the globally prevalent principle of nationalism this book identifies the diverse ways in which educational policies discourses curricula and pedagogy embed and promote the concept of the nation both historically and in the age of globalization by challenging accounts owed to the discourse of globalization which conceal the presence of national epistemologies and interests in education this book offers important insights into the role of education in making nationalism one of the most enduring and yet easily obscured forces of our time organized into four sections this book looks at the following main issues historical reproduction of the nation considers how countries consider and reproduce their national identity and how this is built on their history hegemonic aspirations and interventions examines how instruction technologies developed during the cold war have been propagated and disseminated around the world how the development of educational policy based on the human capital theory emerged and analyzes the extent to which tech companies are intent on establishing an imperial order of learning imperial policies and resurgences of nationalisms explores how global or imperial policies have been indulged in different parts of the world and how new forms of nationalism have been emerging paradoxes inconsistencies and a self reflection focuses on nations acting imperially as sites of domestic injustices addresses unresolved paradoxes between the global and the national and includes a historically informed critical review of the world yearbooks of education bringing together the voices of researchers from around the globe the world yearbook of education 2022 is ideal reading for anyone interested in learning

how nationalism has affected the expansion of education systems and how its imperial aspirations are currently affecting education policy and practice chapter 5 of this book is freely available as a downloadable open access pdf at taylorfrancis.com under a creative commons attribution cc by 4.0 license

if you ever wished to read through the bible but hit a snag along the way this book is for you for it presents an ideal opportunity to become intimately acquainted with the biblical message and storyline while providing momentum for even the most skeptical and hesitant reader if you can commit fifteen to twenty minutes a day and are willing to stick to the schedule presented in this book in less than a year you can read through the bible and know you have acquired a basic grasp of its individual and overall message aggressive readers can complete the task in half the time if they wish to double the time commitment or split their reading into two fifteen minute blocks a day those who follow this method will find that the readings reduce the old testament by 44 percent and the new testament by 32 percent for a total reduction of 41 percent of the biblical text to counter immature skewed or harmful attitudes regarding scripture a bible for today offers an approach to biblical reading and study that is valid inspiring and practical it does so by eliminating not only repetitive passages but also blocks of material that modern readers wishing to build on a christian foundation find ponderous lengthy and no longer applicable in contrast to most abridgments and condensations of scripture this volume provides a logical sequence of readings that students of scripture can follow in whatever version they select acquainting themselves with essential biblical passages and teachings in less than a year's time in addition this book provides introductory overviews to each book of the bible succinct enough to be readable yet literarily historically and theologically reliable and informative

the bible is the single most important book in the history of western civilization it is also the most widely misunderstood to understand the bible we must consider its historical and literary context utilizing the contributions of three disciplines biblical introduction biblical theology and biblical interpretation understanding scripture sets the record straight intended as a handbook or study guide this work provides forty practical guidelines to make your reading of the bible more useful and your understanding clearer the goal of this book is not simply to persuade you to read the bible more frequently but to encourage you to read it with discernment the forty concepts alluded to in the book's subtitle are not factual in nature meaning they are little concerned with biblical information rather they comprise interpretive tools insider techniques used by biblical scholars but widely unknown or ignored by average readers or believers parabolic in nature the forty statements are designed to promote conversation rather than close or clinch an argument this book is designed to keep you awake at night romancing scripture rather than mastering it nourishing your spirituality rather than gorging or starving it understanding scripture is useful for individual or group study each chapter concludes with questions suitable for discussion or reflection
