there are millions of pakistanis living throughout the world and from time to time they will need medical spiritual and psychological care this can only be successfully given if their culture is understood my thought is that i begin my book understanding pakistani culture with an explanation that i am from pakistan and i now live in the united states i am a spiritual counselor who visits patients in hospitals to help them and sometimes i encounter patients born in pakistan because their customs are often so different from us customs those wishing to help do not understand their needs my thought has been to write a book about pakistani customs to bring forward the understanding

pakistan is a land with a unique history formed by migrating peoples who have left their footprint in its diverse cultures languages literature food dress and folklore the country is besieged by bad news but despite the political turmoil the everyday life of its people is more stable rich and rewarding than the media headlines would lead you to believe a myriad local festivals and celebrations and a vibrant cultural life go unremarked pakistan has the eighth largest standing army in the world and is the only muslim majority nation to possess nuclear weapons but few know that it is also the home of two unique schools of art this complex

nation consists of various ethnic groups each with its own individual cultures and subcultures but which are unified by the common values of hospitality honor and respect for elders pakistani society has extremes of wealth and poverty and daily life for most people is full of difficulties yet everyone knows how to cope with crises creative and adaptable pakistanis are among the most self reliant people in the world bouncing back after major catastrophes culture smart pakistan takes you behind the headlines and introduces you to many of the country s little known traditions it describes the vitally important cultural and historical background shows you how modern pakistanis live today and offers crucial advice on what to expect and how to behave in different circumstances this is an extraordinary country of enterprising tough and passionate people earn their trust and you will be rewarded many times over

in this book the prominent poet and author kishwar naheed presents a fascinating account of pakistan s rich and varied cultural landscape being associated with pakistan national council of arts as a director general she had the opportunity to closely observe the eld of ne arts and to know the artists in both a personal and a professional capacity traversing literature languages arts history cuisine rituals sports dress and geography of the di erent provinces of pakistan this book is a commendable attempt at invoking all aspects of pakistani culture and civilization

how different is pakistan s culture from that of india exploring various aspects of the arts literature and heritage of pakistan raza rumi argues that culture in pakistan is not particularly unique to the nation but rather a part of the cultural identities shared by south asians from the songs of kabir and the ballads of bulleh shah to the cult of the feminine in the sindh region rumi takes a kaleidoscopic view of the deep set cultural mores that tie india and pakistan together going further he examines aspects of the visual arts poetry music and literature of pakistan that impact global cultural narratives finally he introduces readers to contemporary pakistani writers and artists and the milieu in which they express their creativity giving us a fascinating glimpse into cultural productions in pakistan today being pakistani is a riveting account of artistic traditions and their significance in present day pakistan presenting an alternative view of the country beyond the usual headlines that focus on political instability and terrorism

once a part of the indus valley civilization one of the oldest agricultural regions in the world pakistan s identity is deeply rooted in indian tradition from its most famous archeological sites such as mohenjo daro or the mound of the dead to its struggle with independence from british india students gain a broad based view of pakistan and its importance as a south asian country with religious views that span the millennia pakistan hosts a cache of diverse opinions art and architecture surrounding islam buddhism and hinduism students also gain an understanding of contemporary conflicts in pakistan such as those surrounding the disputed areas of jammu and kashmir and the continued rivalry between the sunni and shi a muslims

relates to pakistan and the focus is on post independence cultural scenario the main theme

is the creative impulses of pakistani ethos as symbolised by literature painting music and architecture a trail blazing work in the field
