includes a brief profile autobiographical and primary sources and recommended works
short reviews describe the pertinent biographical works and offer insight into the
qualities and special features of each title helping readers to find the best biographical
material available on hundreds of fascinating individuals

butler s lives of the saints is the most revered catholic book after the bible the missal

and the imitation of christ a saint or two for each day of the calendar great for a daily meditation each life is followed by a lesson from the life to help us apply the virtues of the saint to ourselves great for the entire family includes famous saints since fr butler s time all recounted in the same beautiful reverent spirit that was his impr

thomas weinandy has done an excellent job in this book in introducing athanasius theology a well known catholic scholar in historical theology weinandy has provided students of theology with a profound historiography of athanasius major theological writing calvin theological journal a reliable concise introduction to the theology of athanasius international journal of systematic theology a sustained and intelligent introduction to athanasius and his literature and will rightly appear on all undergraduate patristic bibliographies the journal of theological studies a very fine theological as its subtitle emphasizes introduction to the alexandrian bishop an accessible intelligent and worthy volume which offers the reader an overview of athanasius s thought within the context of his full if at times harried ecclesiastical life nova et vetera weinandy offers a summary of athanasius central works and a balanced assessment of his theology s merits and contemporary significance no student of athanasius should overlook this reliable guidebook to the little alexandrian s great life and works religious studies review weinandy s introduction to athanasius is an important work familiarizing the reader with athanasius life writings and fundamental concerns throughout the centrality of soteriology clearly emerges whether the topic is the doctrine of the trinity or the life of antony hopefully this book will serve to bring athanasius soteriology more prominently into contemporary discussions alongside the other great masterpieces on this doctrine themelios

when the beautiful magdalena chavez and her troubled passionate son move into the small town of las madres new mexico it doesn t take long for the discerning among the townspeople to discover that they are other magdalena is a teller of stories that delight many but also challenge the assumptions of one and all soon the reader is seduced into an enchanted world in which the boundary between reality and fantasy is always on the point of collapsing the main characters must maintain a difficult balance between opposing polarities sacred and profane forbidden desire and ruthless power a balance that seems to come instinctively to the simple but knowing inhabitants of las madres fairhead is utterly at home in this environment evoking it with a mixture of precision and lyrical intensity whether she is describing the tumult of a bullfight the stillness of a work

of art or the vast cinematic splendour of the new mexico landscape her voice is always pitch perfect as the title suggests it is a world of great beauty but that same title also warns us that we cannot speak of beauty without also speaking of death the duende that dark wind that blows through the world and touches the back of the neck whenever death is possible is never far away

melinda a roberts and david t wasserman 1 purpose of this collection what are our obligations with respect to persons who have not yet and may not ever come into existence few of us believe that we can wrong those whom we leave out of existence altogether that is merely possible persons we may think as well that the directive to be fruitful and multiply and replenish the earth 1 does not hold up to close scrutiny how can it be wrong to decline to bring ever more people into existence at the same time we think we are clearly obligated to treat future persons persons who don't yet but will exist in accordance with certain stringent standards bringing a person into an existence that is truly awful not worth having can be wrong and so can bringing a person into an existence that is worth having when we had the alternative of bringing that same person into an existence that is substantially better we may think as well that our obligations with respect to future persons are triggered well before the point at which those persons commence their existence we think it would be wrong for example to choose today to turn the earth of the future into a miserable place even if the victims of that choice do not yet exist

the poetic forms on the other hand used by virgil were so much more on the main line of tendency that he stands among a large number of others some of whom might have had a high reputation but for his overwhelming superiority of the other essays made in this period in bucolic poetry we know too little to speak with any confidence but both didactic poetry and the little epic were largely cultivated and the greater epic itself was not without followers the extant poems of the culex and ciris have already been noted as showing with what skill and grace unknown poets almost if not absolutely contemporary with virgil could use the slighter epic forms

this is the first monograph that explores the work and legacy of walter pater from a european perspective it offers an in depth analysis of pater's fictional imaginary portraits which trace the development of the european self over an extensive period of some two thousand years

this comprehensive guide to james ellroy s work and life is arranged as an encyclopedia covering his entire career from his first private eye novel brown s requiem to his 2012 e book shakedown it introduces new readers to his characters and plots and provides experienced ellroy fans and scholars with detailed analyses of the themes motifs and stylistic innovations of his books the work is a tour of ellroy s dark underworld highlighting the controversies and unsettling questions that characterize his work as well as assessing ellroy s place in the annals of american literature

how are david lynch s films as much in dialogue with literary and musical traditions as they are cinematic ones by interrogating this question david lynch s american dreamscape broadens the interpretive horizons of lynch s filmography calling for a new approach to lynch s films that goes beyond cinema and visual art to explore how lynch s work engages with literary and musical works that have shaped the american imagination as much as lynch stands as a singular artistic voice his work arises from and taps into the cultural zeitgeist in a way that illuminates not only his approach to creativity but also the way works interact with each other in an age of mass media from children s literature to teen tragedy ballads nathanael west and cormac mccarthy to folk music and mixtapes david lynch s american dreamscape investigates the cultural frequencies lynch s films tune into and positions lynch s work as a conduit for american popular culture a medium or channel through which the subconscious of american life finds its way into full view the book expands upon this approach by discussing how artists such as david foster wallace and lana del rey graft lynch s affiliative cinematic sensibility onto their own projects reading their work as intertextual engagements with lynch s films further illustrates the versatile interactions among creators and audiences to generate more works readers and readings
