in this provocative cultural study the serial killer emerges as a central figure in what mark seltzer calls america s wound culture from the traumas displayed by talk show guests and political candidates to the violent entertainment of crash or the alienist to the latest terrible report of mass murder we are surrounded by the accident from which we cannot avert our eyes bringing depth and shadow to our collective portrait of what a serial killer must be mark seltzer draws upon popular sources scholarly analyses and the language of psychoanalysis to explore the genesis of this uniquely modern phenomenon revealed is a fascination with machines and technological reproduction with the singular and the mass with definitions of self other and intimacy what emerges is a disturbing picture of how contemporary culture is haunted by technology and the instability of identity

there is little doubt holmes was a calculating killer who reveled in his endeavors to read his own statements and see the extent of his manipulation is intriguing his refutation at the beginning seems only to serve his ego for conning others and his desire to be free to kill again

history s most notorious and brutal killers still enjoy fame as public fascination with their lives and their crimes continues to grow stone cold souls is a detailed examination of the most brutal killers in history moffatt does what he does best by looking at historical accounts of events analyzing them from a psychological perspective and presenting his assessment in captivating fashion he examines different types of killers offers case studies and historical context and describes what sets these cases apart from other kinds of killings even in a day and age where pop culture has made serial crime a mainstay of movies and books the depravity of the killers profiled in this work will still shock even a desensitized reader men women and children alike have committed crimes so atrocious that it is hard to imagine that these events are not works of fiction moffatt examines the difficult questions that inevitably arise when one reads cases of unthinkable torture and cruelty why were these people simply evil or is it possible that given other

circumstances they could have redirected their energies into more productive outlets the author answers these questions and others and reveals the lives and crimes of these ruthless killers stone cold souls features such well known cases as andrei chikatilo marc dutroux herman webster mudgett charles ng leonard lake lawrence bittaker roy norris ed gein edmund kemper henry lee lucas gilles de rais ivan the terrible richard ramirez holly ann harvey sandy ketchum mary bell jesse pomeroy josef mengele marshall applewhite jeffrey lundgren david koresh jim jones father oliver o grady charles cullin harold shipman michael swango myra hindley karla homolka aileen carol lee wuornos elizabeth bathory charles sobhraj albert fish donald harvey and dennis rader
