if you re an actress or a coed just trying to do a man size job a yes man who turns a deaf ear to some sob sister an heiress aboard her yacht or a bookworm enjoying a boy s night out diane ravitch s internationally acclaimed the language police has bad news for you erase those words from your vocabulary textbook publishers and state education agencies have sought to root out racist sexist and elitist language in classroom and library materials but according to diane ravitch a leading historian of education what began with the best of intentions has veered toward bizarre extremes at a time when we celebrate and encourage diversity young readers are fed bowdlerized texts devoid of the references that give these works their meaning and vitality with forceful arguments and sensible solutions for rescuing american education from the pressure groups that have made classrooms bland and uninspiring the language police offers a powerful corrective to a cultural scandal

follow the life of the title character as he struggles to attach some understanding to the unforgiving world that seems determined to consume him at school he s confronted with indifferent administrators both over demanding and hardhearted teachers and a variety of bullies at home he s simply left alone forgotten to fend for himself his father is long gone and barely a memory his mother is more concerned with surviving her own life rather than being a mother to nobody therefore all nobody can hope for in life is to survive one minute at a time which leaves little ambition for homework even though life seems like a sick twisted joke with the laugh always at his expense nobody searches inside himself to find the strength to endure and eventually overcomes his fate nobody understands that it s up to himself alone to find his own path as he tries to decide whether or not to drop out of high school

stairway to paradise reveals how american jewish entrepreneurs musicians and performers influenced american popular music from the late nineteenth century till the mid

1960s from blackface minstrelsy ragtime blues jazz and Broadway musicals ending with folk and rock n roll the book follows the writers and artists real and imaginative relationship with African American culture. *Stairway to Paradise* discusses the artistic and occasionally ideological dialogue that these artists, writers, and entrepreneurs had with African American artists and culture, tracing Jewish immigration to the United States and the entry of Jews into the entertainment and cultural industry. The book allocates extensive space to the charged connection between music and politics as reflected in the Jewish Black Alliance, both in the struggle for social justice and in the music field. It reveals Jewish success in the music industry and the unique and sometimes problematic relationships that characterized this process as their dominance in this field became a source of blame for exploiting African American artistic and human capital. Alongside this, the book shows how Black Jewish cooperation and its fragile alliance played a role in the hegemonic conflicts involving American culture during the 20th century. Unintentionally, it influenced the process of decline of the influence of the WASP elite during the 1960s. *Stairway to Paradise* fuses American history and musicology with cultural studies theories. This interdisciplinary approach regarding race, class, and ethnicity offers an alternative view of more traditional notions regarding understanding American music's evolution.

Laserlinks Videodisc: Side A (30 min) contains visual support for the selections and a storyteller's interpretation of one of the selections. Side B (30 min) contains the writing springboards and the unit introductions. Use with teacher's sourcebook.

Grade 6
