in today s topsy turvy world of film production getting a screenplay sold and produced is no easy task how to sellyourscreenplay not only lets you in on the rules but also lets you in on the secrets of winning the game written by two veteran screenwriters this book is a complete guide to getting your screenplay seen read and sold it begins with an insider s look at how the business works later chapters guide you in putting your script into the proper format to make a professional first impression introduce you to the roles of the industry players help you prepare a perfect pitch and provide you with a proven system for query submission throughout tips from experts will show you how to swim with the sharks without getting eaten by them

field stream america s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations

considering the suspicions jealousies bigotry and greed inherent when a foreign power occupies another golden ghetto how the americans and french fell in and out of love during the cold war tells an improbable story if ever a us military base deserved the sobriquet golden ghetto it was the chateauroux air station for 16 years at the height of the cold war it was one of the most desirable postings in the world historians and casual readers will be enthralled by this bird s eye view of how early communist driven distrust never stood a chance against handshakes and smiles

field stream america s largest outdoor sports magazine celebrates the outdoor experience with great stories compelling photography and sound advice while honoring the traditions hunters and fishermen have passed down for generations

through much of the 1990s a newly hatched snake wreaked political havoc in the south when north carolina gained a seat in congress following the 1990 census it sought to rectify a long standing failure to represent african american voters by creating under federal pressure two majority minority voting districts one of these snakes along interstate 85 for nearly two hundred miles not much wider than the road itself in some places and was ridiculed by many as one of the

least compact legislative districts ever proposed from 1993 to 2001 three intertwined cases went before the supreme court that decided how far a state could go in establishing voting districts along racial lines noted supreme court biographer tinsley yarbrough examines these closely linked landmark cases to show how the court addressed the constitutionality of redistricting within the volatile contexts of civil rights and partisan politics a suit was first filed by duke university law professor robinson everett a liberal who loathed discrimination but considered racially motivated redistricting a clear violation of the fourteenth amendment s equal protection clause yarbrough tells how everett enlisted associates as plaintiffs and went on to win two supreme court victories in shaw v reno 1993 and shaw v hunt 1996 both by 5 4 decisions following the creation of another flawed redistricting plan he rounded up a new set of plaintiffs to take the battle back to the supreme court but this time in easley v cromartie on the swing vote of justice sandra day o connor the 5 4 vote went against him yarbrough shows the significant impact these cases have had on election law and the fascinating interplay of law politics and human conflict that the dispute generated drawing heavily on court records and on interviews with attorneys on both sides of the litigation he relates a complex and intriguing tale about these protracted struggles his cogent and balanced analysis considers whether the state legislature was wrong in using race as a measure for establishing the new district or whether it was simply engaging in the time honored practice of gerrymandering to ensure political balance race and redistricting spotlights efforts to racially engineer voting districts in an effort to achieve fair representation by examining one state s efforts to confront such dilemmas it helps readers better understand future disputes over race and politics as well as the ongoing debates over our color blind constitution

predicts the future of the american healthcare industry the author argues that managed care organizations hmos are risking a backlash if they don t address consumer and provider concerns clearly enamored of the corrective benefits of the capitalist market the author of the five stages of managed care 1997 argues for the emergence of a sixth phase in which managed care evolves a new set of cost control processes that will focus on the consumer as the last frontier of cost management details of this future phase will include risk sharing with providers reduction of regional and provider variation in clinical care disease management programs for chronically ill enrollees and empowered consumers through internet enabled information access
