this volume addresses from a cross disciplinary perspective the multifarious relationship between globalisation on the one hand and criminal law and justice on the other hand

the legislation enacted under the courts and legal services act removes the practice of law from the law society and bar alone organizations such as banks building societies and insurance companies will be able to offer customers legal services as a result this book provides a guide to the act

a critical evaluation of the eu defence and security procurement directive 2009 81 ec in its legal economic military and political context

a lavishly illustrated book that offers an in depth look at the cultural practices surrounding the tradition of collecting ancient bronzes in china during the 18th and 19th centuries in ancient china 2000 221 b c elaborate bronze vessels were used for rituals involving cooking drinking and serving food this fascinating book not only examines the cultural practices surrounding these objects in their original context but it also provides the first in depth study tracing the tradition of collecting these bronzes in china essays by international experts delve into the concerns of the specialized culture that developed around the vessels and the significant influence this culture with its emphasis on the concept of antiquity had on broader chinese society while focusing especially on bronze collections of the 18th and 19th centuries this wide ranging catalogue also touches on the ways in which contemporary artists continue to respond to the complex legacy of these objects packed with stunning photographs of exquisitely crafted vessels mirroring china s past is an enlightening investigation into how the role of ancient bronzes has evolved throughout chinese history

international competition law series 91 enforcement of competition law often calls for a complex economic and legal assessment and the review of those enforcement decisions usually falls to national courts in this connection however european competition law and legal scholarship have offered scant guidance on how judicial review should and does function this book the first comprehensive

systematic and comparative empirical study of judicial review of competition law public enforcement in the eu and the uk provides a thorough understanding of the practical operation of the role of judicial review in competition enforcement a country by country analysis along with a detailed introduction and an incisive comparative summary covers all publicly available judicial review judgments 5 707 in all of final public enforcement actions in relation to articles 101 and 102 tfeu and relevant national provisions in the twenty seven eu member states and the uk rendered between 1 may 2004 and 30 april 2021 the data presented draws on a rich database built for the purpose of this study by twenty eight national teams of competition law academics and practitioners for each jurisdiction the analysis focuses on such aspects as the following structure of the national enforcement system number of judgments rendered success rate types of appellants competition rules subject to review grounds of review use of preliminary references appeals involving leniency and or settlements and role of third parties numerous graphs figures and tables support the presentation in the light it sheds on trends in judicial review of competition law enforcement on a comparative basis and in its data driven assessment of how the decentralised judicial review of eu competition law meets eu integration aims this important study will be of inestimable value to competition lawyers policymakers and academics in developing a confident understanding of precisely how judicial review in this area operates in each of the eu member states and the uk in addition the book provides a significant contribution not only with respect to eu and national competition laws but also more broadly to comparative administrative law scholarship in europe

competition law regulates the market power of companies and individuals by requiring that they refrain from agreements restrictive of competition this book examines the basic competition statutes and regulations that exist within the uk and the ec

includes entries for maps and atlases

the sphere of public law is ill defined and controversial taking the broad view that it comprises aspects of for instance constitutional principles good and humane administration judicial review based on the rule of law human rights liability for wrongdoing public procurement provision of public services transparency social media and protection of privacy areas that link legal control to broad governmental purposes the third edition of this established and much praised work expands its examination of the emergence of european public law from european union eu law and its european community and european economic community antecedents the

European Convention on Human Rights and the interface of these systems with member state systems to include the currently all important challenge of Brexit. The book explains in detail what European public law is and the context in which laws interact in European societies masterfully summarising the debate surrounding the influence of EU and European Convention Law on member state law particularly that of the United Kingdom UK in a thematic and analytical manner. The author covers the following topics and much more as they persist in the shadow of Brexit: constitutional law and administrative law in the EU and France, Germany and the UK; subsidiarity in the EU and UK; devolution; openness, transparency and access to information; national parliaments and scrutiny of EU law; influence of EU law on UK judicial review; access to justice in the light of austerity and government cuts in public expenditure; the future of the UK Human Rights Act; European influence on the law of liability; EU ombudsmen and internal grievance procedures; future relationship between EU and UK domestic law; citizenship and protection of human rights; competition regulation; public service and the market; the impact of Brexit; the legal consequences of UK withdrawal; legislation and European public law; the EU-UK written agreements on separation and the political statement; prospects for a post-Brexit trade deal; detailed analyses of major cases and legal provisions are featured throughout the book. Given that the effects of Brexit will take decades to unfold and not only in the UK, this new edition of a classic text will prove to be an invaluable guide to the ever-developing European context of domestic public law. The indelible marks of European integration must be fully understood if we are to understand public law and its future direction. The book will be of enormous assistance to political theorists and scientists and commentators and of immeasurable practical and academic importance in monitoring the future of Europe and its legal relationship with the UK. Academics and students will be rewarded by the detailed analysis of the context in which national laws and European laws interact. Practitioners in the UK, Europe and globally will gain invaluable insight into the laws they use to resolve practical questions of legal interpretation.
