what to do to set our world right again the author posits that it's less about getting it right and more about standing back long enough to see together what at the core of our global noise is agitating and demanding our attention getting at the root of these disturbances we can move past the posturing and the grabs for power and get serious about preserving the inalienable rights of life that is liberty meaning dignity and realization of potential that all world peoples possess we can create conditions within which the ideals of equality justice and peace can progressively be made real in our world creating such conditions is possible in proportion to our will to re position to get out front and to implant the less divisive sensibilities of soul into the heart of our global politic and into the very soil of our nations approaching our historical dilemmas through the lens of these sensibilities identified in the book and convening our united nations around their demands our recycling and projections of fear can be calmed there is indeed a way to get beyond the politics of right and to turn the tide on problems that remain stubbornly resistant to clinical religious and military intervention 100 of proceeds go to tashinga women trust an apolitical independent economic initiative for women in zimbabwe

selected speeches from indigenous leaders around the world necessary wisdom for our times nourishment for our collective and a path away from extinction toward a sustainable interconnected future indigenous worldviews and the knowledge they confer are critical for human survival and the wellbeing of future generations editors wahinkpe topa four arrows and darcia narvaez present 28 powerful excerpted passages from indigenous leaders including mourning dove robin wall kimmerer winona laduke and xiuhtezcatl martinez accompanied by the editors own analyses each chapter reflects the wisdom of indigenous worldview precepts like egalitarian rule versus hierarchical governance a fearless trust in the universe instead of a fear based culture the life sustaining role of ceremony emphasizing generosity and the greater good instead of pursuing selfish goals and for personal gain the laws of nature as the highest rules for living the editors emphasize our deep need to move away from the dominant western paradigm one that dictates we live without strong social purpose fails to honor the earth as sacred leads with the head while ignoring the heart and places individual rights over collective responsibility restoring the kinship worldview is rooted

in an indigenous vision and strong social purpose that sees all life forms as sacred and sentient that honors the wisdom of the heart and grants equal standing to rights and responsibilities all author proceeds from restoring the kinship worldview are donated to indigenous non profit organizations working on behalf of indigenous peoples inviting readers into a world sense that expands beyond perceiving and conceiving to experiencing and being restoring the kinship worldview is a salve for our times a nourishment for our collective and a holistic orientation that will lead us away from extinction toward an integrated sustainable future

the apostle paul allegorically compared the physical body to a personal temple where god can dwell hezekiah described specific guidelines necessary to restore an individual temple damaged by disuse and disrepair those guidelines correlate well with the frequently described steps required to achieve inner healing peace and recovery restoring your temple will walk readers through the christ centered step wise journey of moving out of denial and powerlessness into a recovered lifestyle the reader s temple can be restored to its intended purpose of being a place where the spirit of god can inhabit encourage guide and direct in a manner leading to emotional relational and spiritual wholeness when every area of life is turned over to his care and control this journey is a process requiring trust devotion and a willingness to do the deep work necessary to avoid relapse and further damage the results are worth every moment invested in working the seven steps to their completion join hager to travel this road to restoration together

the pitchfork ranch is more than another dusty homestead tucked away in a corner of the southwest it is a place with a story to tell about the most pressing crisis to confront humankind it is a place where one couple is working every day to right decades of wrongs it is a place of inspiration and promise it is an invitation to join the struggle for a better planet restoring the pitchfork ranch tells the story of a decades long habitat restoration project in southwestern new mexico a thomas cole explains what inspired him and his wife lucinda to turn their retirement into years dedicated to hard work and renewal the book shares the past and present history of a very special ranch south of silver city which is home to a rare type of regional wetland a fragile desert grassland ecosystem archaeological sites and a critical wildlife corridor in a drought stricken landscape today the 11 300 acres that make up the pitchfork ranch provide an important setting for carbon sequestration wildlife habitats and space for the reintroduction of endangered or threatened species restoring the pitchfork ranch weaves together stories of mine strikers cattle ranching and the climate crisis into an important and inspiring call to action for anyone who has wondered how they can help the

pitchfork ranch provides an inspiring way forward
