supersummary a modern alternative to sparknotes and cliffnotes offers high quality study guides for challenging works of literature this 48 page guide for house of leaves by mark z danielewski includes detailed chapter summaries and analysis covering 23 chapters as well as several more in depth sections of expert written literary analysis featured content includes commentary on major characters 25 important quotes essay topics and key themes like eros and thanatos and the instability of place and time

we all have fears but if we can't face the small ones how will we face the big ones kai is afraid to fly a little blue kite but kai is also very very brave and overcoming this small fear will lead him on a great adventure remember all great adventures start with one little moment you know the one it's like a gentle breeze whispering in your ear what you already know by heart not even the sky is the limit the only other thing you might want to know about this book is that there are at least three ways to read it the first way takes only a few minutes just follow the rainbow colored words the second takes only a little bit longer just follow the words haloed with blue and red and the rainbow words too for the third way just start at the beginning

this book explores the growing body of multimodal literary texts books that creatively experiment with the potential of design to represent narrative content examining five north and central american novels from the first two decades of the twenty first century this study draws attention to texts that combine verbal text writing with non verbal elements photographic images varied typography maps color etc as integral parts of their narratives their experimentation both reconfigures the potential for print based and born digital fiction in the future and holds a mirror to past practices of design and typography that were rendered invisible or which received limited attention by authors publishers and readers by placing the five case studies and related texts within a broader history of experimentation in literature this book demonstrates how multimodal novels have changed the conceptualization of narrative content in literary texts and ushered in a new era for fiction

from the author of the international best seller house of leaves and national book award nominated only revolutions comes a monumental new novel as dazzling as it is riveting the familiar volume 1 ranges from mexico to southeast asia from venice italy to venice california with nine lives hanging in the balance each called upon to make a terrifying choice they include a therapist in training grappling with daughters as demanding as her patients an ambitious east l a gang member contracted for violence two scientists in marfa texas on the run from an organization powerful beyond imagining plus a recovering addict in singapore summoned at midnight by a desperate billionaire and a programmer near silicon beach whose game engine might unleash consequences far exceeding the entertainment he intends at the very heart though is a twelve year old girl named xanther who one rainy day in may sets out with her father to get a dog only to end up trying to save a creature as fragile as it is dangerous which will change not only her life and the lives of those she has yet to encounter but this world too or at least the world we think we know and the future we take for granted with full color illustrations throughout like the print edition this ebook contains a complex image based layout it is most readable on e reading devices with larger screen sizes

serialization is an old narrative strategy and a form of publication that can be traced far back in literary history yet serial narratives are as popular as ever this book investigates a resurgence of serial narratives in contemporary literary culture analyzing series as diverse as mark z danielewski's experimental book series the familiar audiobook series by the swedish streaming service storytel children's books by lemony snicket and philip pullman and their adaptations into screen and serial writing and reading on the writing site wattpad the book traces how contemporary series at once are shaped by literary tradition and develop the format according to the logics of new media and digital technologies the book sheds light on the interplay between the selected serials narrative content and medial social and economic contexts drawing on insights from literary studies literary sociology media studies and cultural studies serialization in literature across media and markets thus contributes a unique and interdisciplinary perspective on a historical phenomenon that has proved ever more successful in contemporary media culture it is a book for researchers and students of literature and media and for anyone who likes a good series and wants to understand why

this collector's edition of mark z danielewski's the fifty year sword features a deluxe slipcase with five metal latches nepalese binding an exposed specially stitched spine and a signed frontispiece limited to 1 000 copies in this story set in east texas a local seamstress named chintana finds herself responsible for five orphans who are not only captivated by a storyteller's tale of vengeance but by the long black box he sets before them as midnight approaches the box is opened a fateful dare is made and the children as well as chintana come face to face with the consequences of a malice retold and now foretold

a novelistic mosaic that simultaneously reads like a thriller and like a strange dreamlike excursion into the subconscious the new york times years ago when house of leaves was first being passed

around it was nothing more than a badly bundled heap of paper parts of which would occasionally surface on the internet no one could have anticipated the small but devoted following this terrifying story would soon command starting with an odd assortment of marginalized youth musicians tattoo artists programmers strippers environmentalists and adrenaline junkies the book eventually made its way into the hands of older generations who not only found themselves in those strangely arranged pages but also discovered a way back into the lives of their estranged children now this astonishing novel is made available in book form complete with the original colored words vertical footnotes and second and third appendices the story remains unchanged focusing on a young family that moves into a small home on ash tree lane where they discover something is terribly wrong their house is bigger on the inside than it is on the outside of course neither pulitzer prize winning photojournalist will navidson nor his companion karen green was prepared to face the consequences of that impossibility until the day their two little children wandered off and their voices eerily began to return another story of creature darkness of an ever growing abyss behind a closet door and of that unholy growl which soon enough would tear through their walls and consume all their dreams

digital modernism examines how and why some of the most innovative works of online electronic literature adapt and allude to literary modernism digital literature has been celebrated as a postmodern form that grows out of contemporary technologies subjectivities and aesthetics but this book provides an alternative genealogy exemplary cases show electronic literature looking back to modernism for inspiration and source material in content form and ideology through which to critique contemporary culture in so doing this literature renews and reframes rather than rejects a literary tradition that it also reconfigures to center around media to support her argument pressman pairs modernist works by pound joyce and bob brown with major digital works like william poundstone s project for the tachistoscope bottomless pit 2005 young hae chang heavy industries s dakota and judd morrissey s the jew s daughter with each pairing she demonstrates how the modernist movement of the 1920s and 1930s laid the groundwork for the innovations of electronic literature in sum the study situates contemporary digital literature in a literary genealogy in ways that rewrite literary history and reflect back on literature s past modernism in particular to illuminate the crucial role that media played in shaping the ambitions and practices of that period

simply put there is absolutely nothing on the market with the range of ambition of this strikingly eclectic collection of essays not only is it impossible to imagine a more comprehensive view of the subject most readers even specialists in the subject will find that there are elements of the gothic genre here of which they were previously unaware barry forshaw author of british gothic cinema and sex and film the palgrave handbook of contemporary gothic is the most comprehensive compendium of analytic essays on the modern gothic now available covering the vast and highly significant period from 1918 to 2019 the gothic sensibility over 200 years old embraces its dark past whilst anticipating the future from demons and monsters to post apocalyptic fears and ecological fantasies gothic is thriving as never before in the arts and in popular culture this volume is made up of 62 comprehensive chapters with notes and extended bibliographies contributed by scholars from around the world the chapters are written not only for those engaged in academic research but also to be accessible to students and dedicated followers of the genre each chapter is packed with analysis of the gothic in both theory and practice as the genre has mutated and spread over the last hundred years starting in 1918 with the impact of film on the genre s development and moving through its many and varied international incarnations each chapter chronicles the history of the gothic milieu from the movies to gaming platforms and internet memes television and theatre the volume also looks at how gothic intersects with fashion music and popular culture a multi layered multi ethnic even a trans gendered experience as we move into the twenty first century

from mark z danielewski author of the cult bestseller house of leaves comes the astonishingly revolutions a shoot from the hip american road novel about sam and hailey two wayward and wild kids who magically career across the american mainland and from the civil rights movement to the iraq war and beyond powered by an ever evolving fleet of cars these two teenagers never age and never stop they crash parties in new orleans barrel up the mississippi and blast through the badlands cutting a nation in half as they try to outrace history itself and where this journey takes them is what sets the pages even the actual book turning alternating between hailey and sam this kaleidoscopic novel spins the strangest most gripping and lyrical love story published in more than a generation

new york times bestseller from the bestselling author of house of leaves comes a magisterial novel about two friends determined to rescue a pair of horses set for slaughter this is an amazing work of

fiction i absolutely loved it at the heart you ll find a blood drenched story of pursuit and two brave and resourceful children but there s so much more i immersed myself have never read anything like it stephen king hard to figure how so much awful horror could ve started out with just them two horses and not a one yet named while folks still like to focus on the crimes that shocked the small city of orvop utah back in the fall of 1982 not to mention the trials that followed far more remember the adventure that took place beyond municipal lines for sure no one expected the dead to rise but they did no one expected the mountain to fall either but it did no one expected an act of courage so great and likewise so appalling that it still staggers the heart and mind of anyone who knows anything about the katanogos massif to say nothing of pillars meadow as one orvop high school teacher described that extraordinary feat just days before she died for sure no one expected kalin march to look old porch in the eye and tell him you get what you deserve when you ride with cowards
