earth 2033 in a recently declassified location something has crash landed something not of this world an intrepid ufo investigator pieces together a report that could change the course of human history that report is the ufo files

committed to developing frameworks for defining and evaluating black poetry literary scholar stephen e henderson 1925 1997 examined the question what makes a poem black in his critical approach henderson prioritized form but not at the expense of source function or context and in so doing developed convincing theoretical frameworks for examining african american lyric expressions especially that of black arts poets black saturation selected works of stephen e henderson is designed to expand and enrich understandings of henderson's critical corpus by showcasing many of his most essential essays presentations and syllabi in a standalone volume henderson deftly conceptualized the ways in which aesthetic innovations were interwoven with revolutionary exigencies a marriage of poetry and politics that became a hallmark of the 1960s and 70s while other critics often ignored or fumbled to construct an adequate rubric for evaluating and celebrating black arts poetry penned by amiri baraka carolyn rodgers sonia sanchez jayne cortez mari evans sarah webster fabio haki madhubuti and larry neal among many others henderson constellated a triad of interdependent characteristics structure theme and saturation through which he

examined black literature in general and poetry in particular revisiting henderson s scholarship in the third decade of the twenty first century allows us on the one hand to further appreciate his imprint on current scholarship about black literature especially poetry and on the other to introduce contemporary students and scholars to his salient theoretical frameworks not to mention his persuasive critical style

a journal of african and afro american literature

despite their literary and cultural significance afro latino memoirs have been marginalized in both latino and african american studies trent masiki remedies this problem by bringing critical attention to the understudied african american influences in afro latino memoirs published after the advent of the black arts movement masiki argues that these memoirs expand on the meaning of racial identity for both latinos and african americans using interpretive strategies and historical methods from literary and cultural studies masiki shows how afro latino memoir writers often turn to the african american experience as a model for articulating their afro latinidad african american literary production expressive culture political ideology and religiosity shaped afro latino subjectivity more profoundly than typically imagined between the post war and post soul eras masiki recovers this neglected history by exploring how and why black nationalism shaped afro latinidad in the united states this book opens the border between the canons of latino and african american literature encouraging greater intercultural solidarities between latinos and african americans in the era of black lives matter

this masterful exploration of american roots music country rockabilly and the blues spotlights the artists who created a distinctly american sound including ernest tubb bobby blue bland elvis presley merle haggard and sleepy la beef in incisive portraits based on searching interviews with these legendary performers peter guralnick captures the boundless passion that drove these men to music making and that kept them determinedly and sometimes almost desperately on the road this enhanced edition includes exclusive video footage prepared specifically for the enhanced ebook that has never been seen before rare audio clips
