i guess in truth reno by the in the lake is my autobiography light the material is indeed autobiographical in that little has been gleaned from any outside source and it is definitely light both in serious content and the serious nature often portrayed by an autobiography so read on just for fun reno beach was a magical place in the 1920s 30s 40s and 50s a resort town that never really quite reached its prime it had however attained great stature in the hearts and minds of all it entertained especially in the imagination of a young boy who could see adventure even in the smallest buttonhole or banal blemish in his mind a vegetable garden became a wilderness plantation an overturned rowboat became a fortress a pirate s treasure cave or a magician s maudlin mansion a willow tree only recently uprooted by the wind and waves of an angry possessive lake trying desperately to reclaim its own this became the perfect home for tarzan jimie of the apes the fact that i m even writing this book belies the fact that the place and that little boy still live if only in my imagination the stories you re about to read are about that small waterfront community just east of toledo ohio on the western end of lake erie and how it s life death and frequent revitalizations affected the life of one small boy namely me the stories are absolutely true except as altered by an aging memory wishful thinking and delusions of grandeur not necessarily in that order and they represent some of the very best days of my life i ve been told that it s good to share your very best i hope you enjoy reading my stories nearly as much as i enjoyed living them the writing s been fun too some names and places may have been altered to protect the innocent and or the guilty but not many some may also be changed just because i ve forgotten or don t really know what i m talking about please forgive me many may recognize themselves a friend or family member in some of these stories and each one probably deserves whatever treatment or attention they received either good or bad this book is intended to be a bathroom book this is not a negative for those unable to grasp this creative terminology i provide the following explanation in the form of a prescription take in small doses continuous exposure could be hazardous to your health and could lead to an abrasive situation requiring an immediate application of preparation h this does not imply that either you the reader or the writer is full of anything should you disapprove of any of the material in this book please feel free to remove the offending pages and put them to better use right there in the reading room solving the problems of the moment i m sure you understand enjoy life is short don t waste it

on seriousness

a bold walkabout across the land of vision imagination and reality the stories in this book are a combination of my imagination vision and experiences and contacts writes storyteller judith a lewis about this compelling collection of 65 stories about the australian outback the pacific india and traveling they came to me in vivid detail and i felt compelled to share these insights into a richer way of looking at our relationship to the earth her theme is the journey across landscapes through cultures or into the vivid realms of visionary experience lewis writes evocatively about traveling in spirit and body across aboriginal and cultural terrains from meeting kangaroo spirits to long lost fathers but she writes with equal insight and warmth about the enigmas of the heart its secrets joys aspirations and epiphanies a twelve year old girl survives an illness by communing with the waratah in bloom a traveler in bombay is arrested by beauty amidst the frenetic urban haze two twins separated in early childhood journey towards each other a homeless man constantly walks the highways to bury his past an aboriginal medicine man named waramingo meets the dreamtime ancestors a lot of the visionary stories pertain to the land and its secrets and those who visit it from afar lewis says i believe that the earth is alive and awaiting our recognition as are the other dimensions that we all could inhabit i hope my stories help you remember what you already know that there is no separation that everything from stones to stars is part of us on this lovely planet

when it first appeared in 1987 the title story of this collection of stories by nguyen huy thiep caused a sensation in vietnam not since the communist revolution had readers found as stark and compelling a view of their world as the general retires offered them written in spare succinct prose it captures the despair of an old general who after many years of devoted service to his country is alienated by the emptiness of the society into which he retires and ultimately flees nguyen probes similar themes in the stories that follow from cun the moving tale of a crippled beggar to a drop of blood a dark history of a family set against decades of war and revolution with eight powerfully written stories all available in english for the first time and including an introduction by greg lockhart that traces the varied traditions of vietnamese literature to the present day this collection offers unprecedented insight into a society trying to overcome and understand years of pain and civil strife

new scholarship on katherine mansfield s the garden party and other stories together with creative work inspired by mansfieldthe last collection of short stories published in her lifetime the garden party and other stories would solidify katherine mansfield s place as the most prominent modernist short story writer of her generation early reviewers of the collection commented on the similarities it shared with her previous collection bliss and other stories however while contemporary reviews were mixed many emphasised the psychological power of her stories praising how she was able

to bring her characters to life in a way simple action could not while it contains some of mansfield s most sophisticated and well loved stories several of the stories in the garden party initially appeared in the sphere and thus were often dismissed as inferior mansfield herself felt some of these stories fell short of her desired effect though recent scholarship has revealed their greater complexity the essays in this volume by both seasoned and newer mansfield scholars work to continue this conversation the collection also includes mansfield inspired short fiction two translations of memorial poems dedicated to mansfield by chinese and french contemporaries with accompanying notes and a recently re discovered book review by mansfield in addition sydney janet kaplan provides a reflection on her personal meeting with christopher isherwood a writer heavily influenced by the life and work of mansfield
