an eye opening introduction to the timelessly relevant ideas of noam chomsky this book is a penetrating illusion shattering look at how things really work arguably the most important intellectual alive the new york times offering something not found anywhere else how the world works is pure chomsky but tailored for those who are new to his work the book is made up of meticulously edited speeches and interviews and every dazzling idea and penetrating insight is kept intact and delivered in clear accessible reader friendly prose originally published as a series of short works what uncle sam really wants the prosperous few and the restless many secrets lies and democracy and the common good these volumes together sold nearly 600 000 copies now collected into one comprehensive anthology how the world works reveals how chomsky's then revolutionary ideas have only become more relevant as time has gone by from the concept that extreme wealth and democracy cannot exist side by side to how the assumptions of mainstream media purposefully limit the spectrum of acceptable opinion to the decline of unions and workers rights thanks to corporations and their unconstrained quest for profit chomsky's prescient theories of the future not only the future of the united states but of the world make it very clear that our society is paying the price now for not heeding him then

<sup>101</sup> profiles of social justice leaders that changed the world made accessible for students in grades 5-9

alexander the great in jerusalem myth and history discusses four different stories told in antiquity about the meeting between alexander the great and the judeans of jerusalem in history this meeting passed without noticeable events into the historical void stepped various judean storytellers who wrote not what was but what could or even should have been the tradition as a whole deals with an issue that resurfaced time and again in ancient judean history conquest and regime installment by new foreign rulers it does so by using alexander as a cipher for a current hellenistic and roman foreign rule the

*earliest version can be traced to the context of the seleukid monarch antiochos iii the great and postulates a judean text from that time that has been hitherto unknown and which survived in a byzantine recension epsilon of the alexander romance the second and third chapters turn to rabbinic sources and deal with the judean approaches and attitudes towards roman occupation and rule first at the advent of pompey and then at the institution of provincia ludaea at the expense of the herodian dynasty the final story is the most famous previously considered the earliest rather than the latest that of josephus alexander the great in jerusalem demonstrates how the historical tradition consistently maintained the moral and sacral superiority of the jerusalem temple and of judaism making alexander either embrace monotheism or prostrate himself before the judean high priest this not only bolstered judean self confidence under conditions of military and political inferiority but also brought the changing foreign rulers into the fold of judean sacred history*

*this book leads to emergence of new insufficiently analyzed and described organizational phenomena thoroughly studying this from international comparative cross cultural perspective management practices in high tech environments presents cutting edge research on management practices in american european asian and middle eastern high tech companies with particular focus on fieldwork driven but reflective contributions provided by publisher*
