for more than 38 years millions of consumers have turned to edmunds buyer s guides for their shopping needs this format makes it easy for consumers to get the advice and information they need to purchase their next new vehicle readers benefit from features such as comprehensive vehicle reviews easy to use charts that rate competitive vehicles in popular market segments expanded in depth advice on buying and leasing editors and consumers ratings high quality photography editors most wanted picks in 29 vehicle categories in addition to these features vehicle shoppers can benefit from the best that they ve come to expect from the edmunds name in depth articles on all new vehicles crash test ratings from the national highway traffic safety administration and the insurance institute for highway safety warranty information previews of future vehicles not yet for sale

my name is sean peyton ross i write this book for present and future generations to read while i still have enough mental capacity and memory to write it before my injury depletes me i was basically a late term miscarriage born by c section at 6 and 3 4 months old 5 times i should have died i am and always have lived on borrowed time i was kept alive in an incubator by the doctors until i weighed enough and developed enough to survive outside the incubator i was always a sickly child and was small the other kids beat up and bullied on me all my life through school where i excelled in academics i was beaten up and bullied on i was put down by the kids who wanted to be bad and the rich kids who thought they were the last word in society i was bullied in the navy in college at work and in the state defense force where i spoke up for the troops and inadvertently caused 3 generals to be fi red after a mission of mercy from a tornado in my hometown started going awry i had to leave the state

defense force under duress from the commanding general i now have been black listed and no one remembers the good i tried to do while in uniform i now live in fear for my family and myself this book is to serve as a journal and as a warning of how diffi cult cruel and ugly life can be sometimes it also serves as a guide to those who read this book so that the readers will be able to learn from what i have written it will inspire those who read it to try harder to improve themselves and the world they now live in the world cannot advance as a people socially if we only dwell on the triumphs of yesterday do not know of or take heed of the sins and mistakes of the past

after a drunken glamour boy teen kills her husband in a car accident the very night she discovers she s pregnant meg richards struggles mightily with the accident and the trial that follows

since its first auto test 50 years ago consumer reports has become the no 1 source that car buyers turn to when buying a new or used vehicle usa today consumer reports is the definitive authority on unbiased automotive ratings

buying a car can be a smart idea a car loses the lion s share of its value when it is driven off the new car lot so why let someone else take that loss but buyer beware a used car is likely to need more repairs and may come with a short warranty or none at all in addition used cars may lack the latest safety features that is why it is so important for consumers to do extensive research so they can avoid all of the potential pitfalls of buying a used car the auto experts at consumer reports have done the work for you and have compiled their extensive research and report their findings into the 2007 edition of used car buying guide this fabulous tool will help steer any consumer who is in the market for a used car towards the better performing and more reliable used car models and away from those models with a troubled past or substandard performance before consumers set foot on a used car lot they should read all the valuable information provided in this book so they can be armed with as much information as possible and the knowledge to make an educated choice consumer reports knows cars and offers the most detailed and revealing used car reliability information available anywhere including unbiased reviews of every major model from 1999 2006 lists of the best and worst used vehicles and how to avoid a lemon a checklist of what to look for when inspecting a used car best used cars for gas mileage tips on negotiating the best pricereliability recalls and crash test information making sense of safety information how to get the most money when trading in your current car the majority of this book is devoted to the profiles of 264 cars minivans suvs and trucks presenting all major 1999 2006 models each profile contains a photo from the representative year a write up of the vehicle reliability history crash test data and the model years when key safety gear was added and when a major redesign was made
