white van man is a larger than life presence on britain s road but he s no fool given the choice he inevitably opts for a ford transit and indeed he has been doing so more than for any other van for the past 45 plus years why because the transit better suits the needs of working drivers than anything else around once vans were mean narrow slow and uncomfortable but in the early 1960s ford pooled its european and american experience to create a van that not only did the job no matter what its final specification power or payload but did it with broad shouldered muscle and a driver friendly environment ford has constantly refreshed the transit

carefully improving every aspect of it but has never diminished its totally fit for purpose character and it remains a mainstay of Britain's motor industry no matter what here award winning writer Giles Chapman tells the whole amazing story
