challenge Jesus cares too much to leave you where you're at so the question is yours to answer: will you believe Him for life beyond what you've ever experienced? Story behind the book: as senior pastor of the 7,000 member Oak Cliff Bible Fellowship, Tony Evans knows when his flock is struggling, he knows the truth, and he knows how to convey it in a life-changing way. This book is based on a series of messages that he originally gave in 2004 entitled "Lord, Do You Really Care?" combining it with another series he delivered on "The Caring Christian" in 2003. This book makes the powerful compassion of Christ applicable to any believer struggling with any crisis.

Many evangelical churches face the problem of the open back door: even as new people arrive, older members are leaving, looking for something else. Combined with this problem is the discipleship deficit: the difficult truth that most evangelicals are not reaching the unchurched at the rates they think they are. In fact, many of the metrics that we often count in the church to highlight success really don't tell us the full story of a church's spiritual state. Things like attendance, decisions, dollars, and experiences can tell us something about a church but not everything to cultivate a spiritually healthy church. We need a shift in our metrics: a grace shift that prioritizes the work of God in the lives of people over numbers and dollars. Are people growing in their esteem for Jesus? Is there a dogged devotion to the Bible as the ultimate authority for life? Is there a growing interest in theology and doctrine? A discernible spirit of repentance? And perhaps most importantly, is there evident love for God and for our neighbors in the congregation? Leading a church culture to shift from numerical success to the metrics of grace can be costly, but leaders who have conviction, courage, and commitment can lead while avoiding some of the landmines that often destroy churches. Wilson includes diagnostic questions that will help leaders measure and lead. Team transparency in measuring, as a group, the relative spiritual health of their church, as well as a practical prescriptive plan for implementing this metric measuring strategy without becoming legalistic. Most attractional church models can lean heavily on making changes to the weekend worship gatherings, and while some of these changes can be good, thriving grace-focused churches are driven by a commitment to the Gospel, allowing the Gospel to inform and shape the worship service and the various ministries of the church.

I ask myself every day: am I good enough? Christians claim that Jesus is the only way to heaven, but how could a good God who created the entire universe in all its diversity be so limiting? Is Christianity unfair? Isn't it more fitting to believe that good people from any religious or nonreligious background go to heaven rather than people from one particular belief system? Maybe not, says Andy Stanley. In this updated edition of the bestselling book, teen readers will find out why Jesus taught that goodness is not even a requirement to enter heaven and why Christianity is beyond fair. Andy Stanley leads the next generation of young people to a grateful awareness of God's enormous grace and mercy: if only good people go to heaven, would I make the cut? If Christianity is
