is great teaching a gift that only a few of us are born with or is it a skill that can be learned in never work harder than your students  
robyn jackson makes a radical assertion any teacher can become a master teacher by developing a master teacher mindset the master teacher mindset can be achieved by rigorously applying seven principles to your teaching until they become your automatic response to students in the classroom the more you practice these seven principles the more you begin to think like a master teacher  
1 start where your students are  
2 know where your students are going  
3 expect to get your students to their goal  
4 support your students along the way  
5 use feedback to help you and your students

get better 6 focus on quality rather than quantity 7 never work harder than your students using these principles jackson shows you how to become a master teacher no matter where you are in your practice each chapter provides a detailed explanation of one of the mastery principles the steps you need to take to apply them to your own practice and suggestions for how you can begin practicing the principle in your classroom right away jackson offers stories from her own teaching practice as well as from other teachers she has helped to show you how each principle works teaching is a hard job but using jackson s principles will help you and your students reap the rich rewards of that hard work

this handbook is a comprehensive text on social work education based on the narratives of social work educators practitioners and researchers from asia and the pacific north and south america australia and oceania and europe it discusses innovations challenges pedagogy and tested methods of social work teaching at various levels of educational programmes the volume examines key concepts that underpin debates concerning social work teaching research and practice brings out key concerns debates and narratives concerning various teaching learning and pedagogical methods from different countries documents principal perspectives of different stakeholders involved in social work education from educators and practitioners to novice social workers the routledge international handbook of social work teaching will be an effective instrument in informing policy decisions related to social work teaching and pedagogy at the global and local levels it will be essential for educators researchers and practitioners within social work institutions and for professional associations around the world

after he is involved in a prank that led to an elderly woman s injury twelve year old mitchell must make amends by participating in a police program in which he chats online with a nursing home resident
