Stanley Fish's *Surprised by Sin* first published in 1967 set a new standard for Milton criticism and established its author as one of the world's preeminent Milton scholars. The lifelong engagement begun in that work culminates in this book, the magnum opus of a formidable critic and the definitive statement on Milton for our time. *How Milton Works* from the inside out is the foremost concern of Fish's book, which explores the radical effect of Milton's theological convictions on his poetry and prose.
