cover foreword preface contents chapter 1 introduction chapter 2 analysis of sjt questions chapter 3 common topics in sjt questions chapter 4 procedures and protocols chapter 5 practice questions chapter 6 practice answers

situational judgement is the definitive guide for preparing for the uk situational judgement test the book features revision tips covering all key topics as assessed at the sjt together with an overview of the process and realistic practise questions to fully prepare you situational judgment is aimed at medical students preparing for the uk situational judgment test the sjt is designed to test the professional attributes expected of the foundation doctor there is no

syllabus as such and so revision can be daunting written by successful students and doctors who ranked top of their respective years and reviewed and edited by senior clinicians the content included covers common themes and is designed to fully prepare you for the sjt

the situational judgement test at a glance the at a glance series is popular among medical students and junior doctors for its concise and simple approach and excellent illustrations each bite sized chapter features colour diagrams and tip boxes accompanied by explanatory text covering a wide range of topics books in the at a glance series are ideal as introductory subject texts or for revision purposes and are useful throughout medical school and beyond everything you need to know about the situational judgement test at a glance the situational judgement test at a glance provides a sound introduction to the sjt and details ways you can prepare before the assessment it includes worked case examples based on real life scenarios which have been reviewed by experienced clinicians and examiners the book draws out key aspects of professional practice relevant to the role of a junior doctor this is based on the nine domains as outlined by the isfp improving selection to foundation programme who detailed the behaviours necessary to be a competent foundation doctor the overall aim of the situational judgement test at a glance is not to spoon feed hundreds of practice questions or reams of guidelines but to steer you towards a logical way of approaching best medical practice and therefore the sjt with many examples of doctors personal experiences along the way challenging scenarios are analysed using guidelines from the general medical council and research interviews with patients lab staff and healthcare professionals all examples in the book are worked in a test style apparatus with questions on one side and detailed answers over the page so you can understand the reasoning behind the material

this timely volume offers a definitive guide to the situational judgement test sjt with over 250 practice questions and all the advice necessary for exam success

oxford assess and progress situational judgement test is the definitive guide for students preparing to sit the new situational judgement test for entry into the uk foundation programme this authoritative book mapped to the foundation programme curriculum and gmc guidance includes over 230 practice questions to help readers maximize their sjt score this essential guide demystifies the sjt and provides a structure for identifying correct answers all scenarios are based on real experiences informed by over 40 doctors and closely mirror questions expected to appear in the sjt detailed explanations are provided for each answer based on established professional guidance these help readers internalise the attitudes and values required of junior doctors which are not always taught explicitly at medical school written by junior doctors and overseen by experts in medical assessment this authoritative guide is aimed at students wanting to achieve the best possible score and take control of the first stage of their medical careers

this is the definitive guide for students preparing to sit the situational judgement test sjt for entry into the uk foundation programme featuring over 300 practical questions mapped to the foundation programme curriculum and latest gmc guidance this new edition has been fully

updated to maximise your sjt score

returning for a second edition oxford assess and progress situational judgement test sjt is the definitive guide for students preparing to sit the situational judgement test for entry into the uk foundation programme this authoritative book mapped to the foundation programme curriculum and gmc guidance includes over 250 practice questions to help you maximize your sjt score fully revised and updated in response to changes in the sjt and reader feedback this second edition now represents true value for money with over 250 questions and high quality feedback that has been developed to clarify the ranking of every answer option not just the correct one all scenarios are based on real experiences informed by practising doctors and medical students who have sat the sjt to ensure that the questions closely mirror the content of the real exam written by junior doctors and overseen by experts in medical assessment this authoritative guide demystifies the sjt allowing you to achieve the best possible score and take control of the first stage of your medical career

the situational judgement test at a glance the at a glance series is popular among medical students and junior doctors for its concise and simple approach and excellent illustrations each bite sized chapter features colour diagrams and tip boxes accompanied by explanatory text covering a wide range of topics books in the at a glance series are ideal as introductory subject texts or for revision purposes and are useful throughout medical school and beyond everything you need to know about the situational judgement test at a glance the situational judgement test at a glance provides a sound introduction to the sjt and details ways you can prepare before the assessment it includes worked case examples based on real life scenarios which have been reviewed by experienced clinicians and examiners the book draws out key aspects of professional practice relevant to the role of a junior doctor this is based on the nine domains as outlined by the isfp improving selection to foundation programme who detailed the behaviours necessary to be a competent foundation doctor the overall aim of the situational judgement test at a glance is not to spoon feed hundreds of practice questions or reams of guidelines but to steer you towards a logical way of approaching best medical practice and therefore the sjt with many examples of doctors personal experiences along the way challenging scenarios are analysed using guidelines from the general medical council and research interviews with patients lab staff and healthcare professionals all examples in the book are worked in a test style apparatus with questions on one side and detailed answers over the page so you can understand the reasoning behind the material

a one stop guide to the sjt written by foundation years doctors who have recently sat and passed the sjt co written and quality assured by professor of medical education for clinical practice and dean for students barts and the london school of medicine and dentistry summarises candidate information about the sjt gmc guidelines and documents plus relevant legislation with full referencing describes the two question types ranking and mcq gives top 10 tips for understanding the subtleties and subtext of the sjt provides the scoring matrix for students to calculate their scores easily covers each of the five question domains with practice questions 250 practice questions in total memory aid text boxes throughout to aid progressive

learning

this timely volume offers a definitive guide to the situational judgement test sjt with over 250 practice questions and all the advice necessary for exam success

this book will help final year medical students improve their chances of getting their ideal medical job by practising the new style situational judgement tests sjts required for recruitment it begins with an explanation of the type of questions that are asked and introduces students to exam techniques required in order to succeed in the test following on from this another chapter is dedicated to the core concepts and guidelines expected of junior doctors before finishing with several mock examinations with answers for the readers to test themselves sjts are currently used elsewhere in medicine for the selection of fully qualified doctors into gp training however this type of examination and questioning is not one which any medical student will be familiar with or have come across in their training to date the book gives a comprehensive explanation of answers including key references and topics relating to professionalism medical ethics gmc guidelines and foundation programme personal specifications the contributing authors include current foundation year doctors who can offer authentic realism from their ward experience the book will serve not only as a revision guide but also as an instructional tool to help potential junior doctors reason through professional dilemmas they may encounter in the sjt selection tests as well as in real life on the wards

a one stop guide to the sjt written by foundation years doctors who have recently sat and passed the sjt co written and quality assured by professor of medical education for clinical practice and dean for students barts and the london school of medicine and dentistry summarises candidate information about the sjt gmc guidelines and documents plus relevant legislation with full referencing describes the two question types ranking and mcq gives top 10 tips for understanding the subtleties and subtext of the sjt provides the scoring matrix for students to calculate their scores easily covers each of the five question domains with practice questions 250 practice questions in total memory aid text boxes throughout to aid progressive learning

situational judgement test for the foundation years programme has been specially designed to help you achieve the highest possible mark in the ukfpo sjt exam this 2nd edition in line with the latest gmc good medical practice 2013 guidelines contains a wide range of sjt scenarios to ensure that all the core foundation programme competencies are comprehensively covered the sjts contained in this book have been through a rigorous appraisal process that brought together the experiences of over 50 doctors from varying levels and specialities including multiple foundation training programme directors this ensured that the scenarios and their respective responses were valid and relevant to both the sjt exam and the foundation programme curriculum the book also involved professionals with backgrounds inclusive of medical law medical ethics psychology and medical education all of whom helped in sewing together realistic and challenging scenarios with valuable learning points the questions in this book were piloted amongst junior doctors to further help validate the consistency of the

responses the explanations provided in this book are supported by numerous references to the gmc guidelines in order to maximise their reliability and provide a clear rationale for the correct answers a number of the doctors who participated in the design of this book had firsthand experience of the national sjt pilot exam and thus provided a unique insight into question format style and design this book not only offers valuable exam practice but also equips the reader with the skills aptitude and knowledge base to effectively cope with complex scenarios as they move on to their working life

returning for a third edition oxford assess and progress situational judgement test sjt is the definitive guide for students preparing to sit the situational judgement test for entry into the uk foundation programme this authoritative book mapped to the foundation programme curriculum and gmc guidance includes over 285 practice questions to help you maximize your sjt score fully revised and updated this third edition provides over 285 questions and high quality feedback that has been developed to clarify the ranking of every answer option not just the correct one all scenarios are based on real experiences informed by practising doctors and medical students who have sat the sjt to ensure that the questions closely mirror the content of the real exam two mock tests allow candidates to prepare for exam day and practice their timings one of the biggest challenges in the exam written by consultants this authoritative guide demystifies the sjt allowing you to achieve the best possible score and take control of the first stage of your medical career

this timely addition to the oxford assess and progress series is the definitive guide to the situational judgement test sjt with over 230 practice questions and all the advice necessary for exam success

this book presents over 350 ranking and multiple choice questions arranged by subject groups aligned with the domains of the sjt examination and designed specifically to explore the readiness of candidates to face the scenarios that they will encounter as a junior doctor a clear discussion of how the correct answer was reached and other options ruled out for every question is given at the end of each chapter making this book an excellent learning aid through all stages of undergraduate studies and particularly during revision for the sjt examination
