about the book yorkshire terriers are majestic little dogs proud and intelligent with flowing locks and human like hair with their spunky attitude that belies their size the yorkie is a popular choice among dog lovers the yorkshire terrier which originally hails from the english city of yorkshire was a working class dog primarily used as rat catchers in nineteenth century clothing mills later on the dog left the

realm of the working classes to become a companion pet for high society families in europe the breed was first recognized by the american kennel club in 1885 excerpt from the book to socialize your yorkshire terrier effectively you should start by introducing him to as many different people as possible encourage gentle play and petting make careful choices a single well behaved child will offer your dog a more positive experience than a group of noisy ones will next on the agenda are the sights sounds and smells of life outside try and incorporate a variety of environments into your daily walk take him to the park down a busy street and pay particular care to visit places that you would normally frequent it is imperative that he becomes used to a wide variety of locations as the weeks pass you can build upon his social skills by introducing more and more stimuli yorkshire terriers can find it difficult to get along with other animals so you should tackle this potential issue as soon as his inoculations have been administered puppy training classes are a great idea but you should also attempt to introduce your dog to cats and rabbits from an early age to avoid problems later your yorkshire terrier and children all things considered the yorkshire terrier is a friendly breed of dog although special care should be taken if you have children your dog will have been introduced to children of all ages as part of your socialization efforts but it is a different thing to have a child meet a dog once to having children and dogs share your home on a full time basis yorkshire terriers are one of the smallest breeds of dog in the world and can be extremely vulnerable to rough play they are prone to snap if physically hurt so the majority of quality breeders will not allow a yorkshire terrier to be placed with a family that has children under seven years old buy a copy to keep reading

i ve had dogs my entire life but living with a yorkshire terrier is a whole different experience this book has been indispensable in helping us navigate life with our wonderful yorkie i recommend this book to prospective yorkie companions as well as to those who already have one it s a must read michael c voigts yorkie owneryorkshire terriers are among the top ten most popular breeds in america and it s easy to see why they are loyal lovable and playful and make perfect pets for first time dog owners this book provides you all you need to know about how to look after the breed whether you are buying a yorkshire terrier as a pet show dog or breeding dog in the complete guide to yorkshire terriers you will learn all about the ideal nutrition for the breed training strategies traveling breed disposed diseases grooming dental care preventative veterinary care neutering and senior care all information is specific to yorkshire terriers and presented in easy to read but comprehensive detail ensuring there is nothing left for you to wonder or worry about some topics include is a yorkie the right dog for me i brought my yorkie home what now how can i best train my yorkie what are some common mistakes should i avoid the book will give you vital information about purchasing and rescue options as well as top tips for when you bring your yorkshire terrier home for the first time it will guide you from the exciting time

before you get your puppy all the way through to when it's time to say goodbye to your old and beloved friend you'll find out everything you'll need to know as a new owner including choosing a yorkshire terrier preparing your household for your yorkie bringing your yorkie home yorkshire terrier breed history traveling with your yorkie yorkshire terrier training yorkie nutrition dental care grooming your yorkie yorkshire terrier diseases breeding yorkshire terriers showing yorkshire terriers living with a senior yorkie

give your yorkie the best possible care for life as a caring yorkshire terrier owner you want the best for your pet but you may not know all the special steps you need to take to raise a happy healthy yorkie your yorkshire terrier's life was written with one purpose in mind to give you the most up to date information and guidance you need about the health nutrition training and care of your dog reviewed by a nationally known veterinarian this book shows you how to give your yorkshire terrier the best life possible whether you've just welcomed a new puppy into your family or adopted an older dog includes a special training section written by renowned training expert liz palika inside what every yorkshire terrier owner wants to know is a yorkshire terrier the right dog for me how do i choose the best food for each stage of my yorkie's life do yorkshire terriers make good companions for children how often should i groom my yorkie what's the best way to house train my yorkshire terrier will my yorkshire terrier get along with my other pets how do i ensure that my yorkshire terrier gets the best possible medical care
