exercise your logic challenge your brain confound your opponents and sharpen your domino skills so you ll win every time from general principles to advanced techniques this fully illustrated in depth guide takes you through every aspect of the game after clearly explaining the basics he introduces several challenging mental exercises designed to develop your understanding the writer ends with four superbly explained games games

playing better golf without practicing isn t that every golfers dream does that sound too good to be true it is not what people fail to realize is that golf is played as much with the mind as it is with the body having more fun and being better at playing golf in large part requires an improvement in how a person uses thier brain and chooses to think while playing golf unfortunately golfers have for the most part ignored use of their brain as a way to improve their games and to increase their enjoyment of golf for most golfers improvement means purchasing the latest greatest golf club or trying out a tip they read in a golf magazine or watched on television despite using technologically advanced golf clubs and

balls and improving their swing technique many golfers do not seem to be lowering their scores the concepts explained in this book are simple extremely effective easy to apply and are the same ones that the best players in the world are using professional golfers have come to realize that at the pga tour level everyone has terrific physical skills the difference between the players and the good players are the mental skills most golfers do not have the physical talent to be able to hit the ball like tiger woods or annika sorenstam but everyone absolutely positively has the mental capacity to learn how to think like them every golfer can benefit by learning more about how to think properly while playing golf i believe that golfers have a huge untapped potential that is just waiting to be unlocked apply the simply common sense techniques explained in this book and you too can have more fun and play better golf

chess masters on the art of philosophy chess showing the essence of each player s style strengths weaknesses
