the divine acceptance love law of order and the divine rejection hate of disorder the phrase mmara ne kyi is akan for law and hate these terms derive from the same terms in kamit maa hna kht divine law and divine hate are the expansive and contractive poles of divine order in this work we properly define these concepts inclusive of the fact that there are deities abosom orisha vodou ntorou ntorotu neteru netertu ntrw ntrwt who embody these concepts maa and maat law and heru behdety and sekhmet hate we demonstrate that law and love have always been the same concept in afurakani afuraitkaitnit african culture and that hate has been and always will be divine just as there are deities of law love there are deities of hate moreover and most critically without an understanding of the divinity of hate one has absolutely no understanding of authentic afurakani afuraitkaitnit african cosmology culture religion philosophy and its infrastructure divine order

traditional western religion explains that each human has a spiritual aspect called a soul however several passages in the bible allude to humans having a soul and a spirit dan has explored this idea and found numerous modern psychological findings that support this notion shamanism and some eastern religious concepts also support this idea diverse concepts such as creativity and mental illness can be explained by the idea that two spiritual forms are in each human

through the warm and compelling story of a conflicted christian hiding psychic skills learn to awaken your special gifts of the spirit many devout christians conceal their psychic abilities or deny the reality of their gifts due to the immense sense of fear and condemnation engendered by biblical scripture especially for christians but applicable to all this sojourn will teach you how to fully bridge the seeming polarity of christianity and the psychic realm broken into two parts the first will take you along the path of growing up christian with an upbringing teaching of sinful and punishable acts relating to the seeking out of mediums psychics and fortune tellers the second part is chock full of practical exercises meditations and techniques to develop your psychic abilities and connect to christian religious aspects in a way that is comfortable

psychiatry remains an emerging discipline many people suffer from ailments that have no apparent cause no obvious cure quite by accident while using hypnotherapy dr modi discovered that pastlife regression can be a beneficial treatment many of these patients under hypnosis claimed to have spirits attached to their bodies and energy fields creating psychological and physical problems based on years of experience dr modi describes techniques that release these spirits revealing how patients can sometimes recover within a few sessions while most doctors would agree that emotional states affect our health few would give credence to spiritual influences in this truly groundbreaking book dr modi presents evidence that something beyond the physical affects the health of many people and urges medical scientists to objectively assess this revolutionary approach to mental and often physical illness pioneers have the courage to put aside the status quo and evaluate what the evidence shows even if it defies the prevailing logic of the time both physicians and the general public should explore the pioneering work of dr modiwork which no doubt has produced many remarkable healings

when i finished reading this book all i could say was wow what a stunning piece of literary work it is concise brilliantly written backed by scientific findings with clear human logic and intelligence if this doesn't awaken the masses to delve into who and what they truly are i can't imagine what will jerry issa teacher of metaphysics trenton michigan this book will change your life if you let it if we are accidental beings on a remote planet in a vast universe existing for merely a blip in cosmic time what's the point of living at all until we learn life is too significant to be a short lived brilliance that rises out of nothing and ends in nothing we will continue to live out our lives in what thoreau saw as quiet desperation we sense the materialistic wall when we ask the question is that all there is without resorting to miracles or magic this book provides compelling evidence of life beyond the physical world by logically investigating the limitations of matter in the universe by examining the gaps in scientific theories and by analyzing what the mystics already know about a spiritual existence it takes a dedicated seeker with no preconceived ideas and no intent on arriving to see beyond the materialistic wall this book is intended to expand your awareness of life here and hereafter hopefully providing the spark that will start you on your own personal pilgrimage the mystics tell us we will be guided to the next step along our spiritual path when we are ready are

you ready awareness the following might be the thoughts of those at different levels of awareness as they walk through a rose garden i want i wonder how much i could get for these roses i believe god created roses when he created the world and everything in it i doubt roses evolved from wild flowering shrubs but most garden varieties are hybrids i seek how could anything as beautiful as a rose happen purely by chance i know roses like all life on earth are physical manifestations of spirit

moves beyond the celestine prophecy in teaching the cleansing and renewing of human energy fields a new scientific understanding of touch healing and prayer based upon energy research teaches touch healing and improves professional healing skills with detailed guidance helps improve physical health and emotional wholeness with self healing techniques uses emotional release therapy for rapid healing of emotional hurts and negative feelings unique revolutionary and not easily categorized praywell combines the ancient practice of prayer with touch healing an immensely practical guide it offers more than 170 usable models for healing for both amateurs and professionals using touch and non partisan prayer praywell is the missing link that builds bridges of understanding between holistic medicine and conventional medicine between eastern and western healing traditions between science and religion and the religions of the world

in this new book of true ghost stories america s favorite ghostbuster relates further adventures with spirits hauntings and things that go bump in the night and as an added bonus echo answers questions from her readers about ridding their homes of pesky ghosts that just don t want to go away

zoe hagon offers a balanced treatment of the various approaches to channelling she draws on actual case histories to explain the scope of channelling in a manner that is accessible to the beginner yet still interesting to those with more experience

this inspiring book includes life altering angelic wit and wisdom and encourages readers with words to simplify the complexity of life

this book was written to inform those who want to know about themselves not only about their physical and psychological aspects but also of the most important spiritual or divine aspect of their being this writing also explains how to develop one s dormant psychic senses and to understand psychic senses and to understand psychic phenomena as written in the holy bible it further explains how individuals survive physical death and what kind of life they experience in the hereafter this manuscript goes into much detail about the differences between love and lust and why marriages are breaking up humans who want to be good are often acting in an evil way not knowing what evil is and how it originated this work explains how god as parent has been desperately trying to restore the human race so that it will no longer mourn the agony of life this book is trying to assist those to find the spiritual treasures they are looking for and to become of god
