what does identification mean it means our complete union with jesus in his substitutionary sacrifice the teaching of identification is the legal side of redemption it unveils to us what god did for us in christ from the time he went to the cross until he sat down at the right hand of the father christ became one with us in sin so that we might become one with him in righteousness he became as we were so that we might be as he is now in identification we have one of the richest phases of redemption there is a twofold oneness first his oneness with our sin and humanity on the cross second our oneness with him in his glory on the throne these teachings unveil who we are in christ and how the father sees us in the son the vital aspect of redemption is what the holy spirit through the word is doing in us now when these truths really gain the ascendancy in our lives they will make us spiritual supermen it will be the end of our spiritual weakness and failure we will no longer struggle for faith for all things are already ours we will no longer pray for power for christ is in us we will no longer feel the awful bondage of sin consciousness for we are the righteousness of god in christ

this book is about the boisterous beginnings of the american pentecostal movement and the ideas that defined that movement during those formative years it follows a group of men who rethought the christian faith in light of their new experience of god thinking in the spirit aims to provide scholars and general readers who know little or nothing about pentecostalism with an introduction to the ideas of the movement s most articulate early spokespersons and to provide pentecostals with a non judgmental historical source to help them in their theological reflections douglas jacobsen focuses on the individuals who formed the original brain trust of this now

gigantic religious movement in a 25 year burst of creative energy at the beginning of the 20th century these leaders articulated almost all the basic theological ideas that continue to define the pentecostal message in the united states and around the world

the teaching of kenyon hagin and copeland that jesus died spiritually jds is important because of the influence of these men not least on pentecostalism this title states that adoption of jds by pentecostalism would be damaging in several respects and thus draw the latter away from its moorings in traditional christianity

an unveiling of the substitutionary sacrifice showing what we are in jesus christ and how the father sees us

essek william kenyon 1867 1948 has virtually escaped scholarly notice and yet his influence on the twentieth century church is profound of particular note is kenyon s influence on william durham that apparently led to the first major split in pentecostalism kenyon s own evangelistic work was thoroughly interdenominational touching every major protestant denomination of his day e w kenyon and the postbellum pursuit of peace power and plenty is the most comprehensive biography of kenyon available today it explores his influence on the pentecostal charismatic movements and likewise illuminates the practice of intuition and mysticism from which the 20th century message of peace power and plenty emerged contains nine black and white photographs bibliography and index

this book offers a fresh and challenging analysis of the prosperity gospel by providing both a historical examination of its six theological features and a theological analysis of their interconnected roles uncovering new sources the author presents a constructive theology of the word of faith movement offering a deeper and more precise understanding of its development and function combining historical and theological methodologies this work makes a significant contribution to the field shedding light on previously unexplored historical roots of word of faith theology and revealing their profound theological implications this title is a valuable resource for scholars and practitioners alike especially those interested in the world of faith theology and its impact on contemporary religious thought

in jesus name tells the story of the third stream of pentecostalism which emerged during the formative years of the pentecostal revival this is the first comprehensive study of the origins history and theology of oneness pentecostalism the heterodox movement expelled from the assemblies of god in 1916 for its rejection of the doctrine of the trinity and insistence on water baptism in the name of the lord jesus christ reed traces the movement now estimated at 14 million world wide to its pietist and evangelical roots its distinctive doctrine is a radical trajectory of a christocentric reaction that had already begun in early pentecostalism reed s study shows the inadequacy of the label of heresy in light of its thoroughgoing pentecostal identity and theology of the name of god this title was granted the pneuma award for 2009

a balanced biblical examination of the word of faith movement that helps readers sort through the controversies and recognize sound scriptural teachings

the name it claim it theology of the word faith movement is presented as biblical but is it in this compelling book mcconnell documents the historical link between faith theology and new thought metaphysics he then analyzes faith theology s doctrines of healing and prosperity as well as its understanding of the atonement of christ to show how they deviate from biblical teaching this updated edition features a foreword by hank hanegraaff and an afterword by mcconnell softcover from hendrickson

james a sauer was for many years the director of the american center of oriental research in amman jordan this volume honors him with more than 50 contributions from colleagues and friends

this inspiring book contains the keys you need to achieve both your natural and spiritual goals

those familiar with the uneven quality of existing biographies and autobiographies of modern american religious celebrities will be especially grateful for the critical comments and reliable information in this engaging volume choice despite its pervasive influence popular or non official religion in twentieth century america has been largely ignored by scholars this book is the first biographical reference to be published on the subject it examines the lives and careers of more than sixty notable individuals who have helped to shape popular religious sentiment in this century including radio and television preachers inspirational writers gospel songwriter performers mass revivalists and leaders of religious movements that cut across denominational lines in his introduction lippy discusses the eclectic and individualistic character of popular religion its impact on american attitudes and behavior and critical approaches to interpreting and understanding it each essay offers a brief biography followed by a critical appraisal of the contribution of the subject and an assessment of relevant literature entries conclude with a selective bibliography cross referencing and a comprehensive index are supplied combining the efforts of more than forty scholars lippy s book is the first to give us a clear picture of the many different kinds of people who have left their mark on popular religious consciousness in the twentieth century a useful reference for american studies american religious history popular culture studies and related areas this volume will also be of interest to general readers
