willingness to seek help but he has never forgotten what life was like at the bottom of the junior high foodchain and from the reservoir of those agonizing memories he sends a compelling message to victims to bullies and to authorities who have the power to intervene that it's never ok for the strong to abuse the weak and that we allow such abuse at the expense of our souls and our very civilization especially in the wake of the massacre at columbine high school perpetuated by two troubled but also tormented outsiders this message takes on haunting resonance frank peretti believes we cannot afford to overlook the continuing reality of wounded spirits not only in our schools but in our homes churches and workplaces his approach is both tender and tough as he issues a ringing call for a change in attitude it's a call for all of us to stop thinking of abuse as normal even among kids it's a call for the strong to stand up and protect the weak not prey upon them it's a call for those in authority to pay attention to the violence being done to the vulnerable in the midst of our everyday lives and to take action to help most of all it's a call for bullies and victims alike many of us are both to seek the healing and forgiveness offered in jesus christ for that healing is really the heart of this book the only reality that can break the natural cycle of victimization and abuse only in christ peretti reminds is there hope for the wounded spirits but that hope is powerful enough to change everything
