theology and society is the most comprehensive study of islamic intellectual and religious history focusing on muslim theology with its emphasis on the eighth and ninth centuries ce it remains the most detailed prosopographical study of the early phase of the formation of islam originally published in german between 1991 and 1995 theology and society is a monument of scholarship and a unique scholarly enterprise which has stood the test of time as an unparalleled reference work

this is a reproduction of a book published before 1923 this book may have occasional imperfections such as missing or blurred pages poor pictures errant marks etc that were either part of the original artifact or were introduced by the scanning process we believe this work is culturally important and despite the imperfections have elected to bring it back into print as part of our continuing commitment to the preservation of printed works worldwide we appreciate your understanding of the imperfections in the preservation process and hope you enjoy this valuable book

ramon harvey revisits the muslim theologian ab man r al m tur d d 333 944 from samarqand and puts his system and that of the m tur d school into lively dialogue with modern thought combining rigorous study of arabic m tur d texts with insights from husserl s phenomenology and analytic theology harvey explores themes from epistemology and metaphysics to the nature of god and specific divine attributes omniscience and wisdom creative action divine speech and the qur an his systematic treatment of these topics shows that a contemporary muslim philosophical theology or kal m jad d can be true to the past yet dynamic in the present and can provide original and constructive answers to perennial theological questions

the present volume focuses on aspects of islamic thought in iran and yemen and other regions of the middle east ninth through fifteenth century ce through a close study of manuscript materials the book s sixteen chapters are arranged under five rubrics mu tazilism zaydism in iran and in yemen twelver shi ism mysticism and bibliographical traditions the material included in the book has been published previously in a different version the appearance of these studies together in a single volume makes this book a significant and welcome contribution to the field of classical islamic studies

theology is a rational endeavor to understand everything about god from within a faith tradition and its scriptures and in response to problems posed by

the conditions of a particular time and place god in islamic theology tawhid in classical islamic theology and said nursi s risale i nur engages and gleans classical and contemporary understandings on the central tenets of god in islam the book makes a substantive contribution to islamic studies in four main ways first it grasps and justifies the use of the language and genre of theology in relation to scholarly efforts to relate qur anic teachings about god to human understanding the development of islamic theology and its evolving scope are explored to produce a fresh framework in the study of islamic theology second it directly addresses some of the challenges facing islam including its multi layered theological positions and how these influence its internal coherence and its external relations especially with abrahamic faith traditions and western philosophy generally third presenting a new understanding of islamic epistemology it drives to the prime essential of islamic theology in its attempting to prove the existence oneness and relatability of god fourth it highlights and justifies the place of said nursi as an informed and theologically rigorous contemporary source in islamic theology

the present english translation reproduces the original german of carl brockelmann s geschichte der arabischen litteratur gal as accurately as possible in the interest of user friendliness the following emendations have been made in the translation personal names are written out in full except b for ibn brockelmann s transliteration of arabic has been adapted to comply with modern standards for english language publications modern english equivalents are given for place names e g damascus cairo jerusalem etc several erroneous dates have been corrected and the page references to the two german editions have been retained in the margin except in the supplement volumes where new references to the first two english volumes have been inserted
