this is an open access book which focuses on different aspects of education employment and successful integration of migrants in three countries norway sweden and switzerland the chapters in this book reflect on these issues from micro meso and macro perspectives some are based on interviews with migrants and people who work with them others on documents and literature about migration there are different pathways for skilled migrants to vocations some start working in their previous vocations after arriving in the new environment some re enter their professions but on a lower level some can re train themselves in a new vocation

and some will go to further education as studies in different chapters of this book suggest common for successful integration seems to be several intertwined factors the target language competence strong motivation and agency supporting networks and supporting persons as well as structural opportunities of the new environment the book's editorial board takes an eclectic view hoping to start an academic debate about what successful integration means while discussions about the integration of migrants tend to focus on integration failures there are millions of migrants in different countries who have successfully integrated into their new societies

we are better than this is a collection of essays and poetry addressing the Australian government's asylum seeker policy the aims of the book are several to provide some of the information about the situation in detention camps that is being withheld by the government to correct some of the government's misrepresentations of the current situation to clarify some of the complex legal issues surrounding the right to seek asylum and to give some insight into the plight of those who are seeking asylum it is hoped that this book will better inform people about the government's policies to support those who are unsatisfied and seeking to change the situation as well as those who are uncertain and need more easily accessible and reliable information contributors are drawn from several areas of expertise and engagement with asylum seekers

education for refugees and forced immigrants across time and context follows the journey of refugee and forced immigrant youths as their educational needs and opportunities vary according to resettlement communities immigration policies dominant culture and language geography and other key factors
