presenting a first class and much needed introduction to the theory and applications of metaphor in text analysis introducing metaphor affords students a clear coherent overview of important issues in this widely studied area

this book provides a critical discussion of true crime literature arguing for the deconstruction of the genre into subgenres that better reflect a work s contents in analysing seminal and lesser known works the areas of authenticity accuracy and author proximity are considered to form a framework on which an individual publication s subgenre re categorisation can be assessed the book considers the likes of ann rule truman capote and maggie nelson among other notable authors their works those that fit into true crime and those that defy categorisation within the genre as it exists are reviewed and their defining features critiqued topics such as narrative methodologies figurative language and utilisation of research are considered in support of this these strands combine to a larger discussion regarding a deconstruction of true crime and the ways in which this will improve the social responsibility of the genre and encourage a more conscientious consumerism of it

physicians readers and scholars have long been fascinated by shakespeare s medical language and the presence of healers wise women and surgeons in his work this dictionary includes entries about ailments medical concepts cures and taking into account recent critical work on the early modern body bodily functions parts and pathologies in shakespeare shakespeare s medical language will provide a comprehensive guide for those needing to understand specific references in the plays in particular archaic diagnoses or therapies choleric tub fast and words that have changed their meanings phlegmatic urinal those who want to learn more about early modern medical concepts elements humors and those who might have questions about the embodied experience of living in shakespeare s england entries reveal what terms and concepts might mean in the context of shakespeare s plays and the significance that a particular disease body part or function has in individual plays and the shakespearean corpus at large

are you the bee s knees or the apple of your father s eye do you paint the town red as a rule of thumb if you were between a rock and a hard place would you close your eyes and think of england and have you ever wondered where these phrases common enough but on inspection often very strange come from the real mccoy is a comprehensive dictionary of the many idioms we use in english and with 800 entries is the first authoritative reference book on the subject quotations illustrating the origin of these idioms range from aristophanes to tom wolfe from the lindisfarne gospels to mario puzo davy crockett to raymond chandler peter chadlington s book is not only authoritative but accessible illustrated throughout with original drawings by oliver pugh the book provides the browsing reader with something to interest amuse and delight on every
