in this unique encyclopedia 120 leading scholars from around the world provide comprehensive treatment of the role of women

in war from the first written history to the present this authoritative encyclopedia presents the work of leading scholars from all over the world to give the first detailed coverage of the role of women in wars throughout history histories of war are typically histories of men great leaders and heroic fighters yet the roles of women often receive only limited coverage except for such notables as joan of arc traditional histories give short shrift to women as leaders and fighters similarly the direct victimization particularly sexual abuse as a weapon of terror and domination and cultural dislocations women suffer in war float as background without detailed coverage this work represents a first devoted in its entirety to thorough examination of all aspects of women in war for the first time readers have a single source for information on the scope of women s role in war and war s effects on them

no detailed description available for women and war

this volume explores how art and artifacts can tell women s stories of war a critical way into these stories often hidden due to the second tier status of reporting women s accomplishments this unique lens reveals personal cultural and historically noteworthy experiences often not found in records manuscripts and texts nine stories from history are examined from the mythical amazons of ancient greece to a female prisoner of war during world war ii each of the social political and battlefield experiences of penthesilea artemisia boudica the feminine cavaliers the dahomey amazons suffragists world war i medical corps and a world war ii prisoner of war are intertwined with a particular work of art or an artifact these include pottery iconographic images public sculpture stone engraving clothing decorative arts paintings and pulp art while each story stands alone brought together in this volume they represent a cross sectional reflection on the record of women and war the chapters cover not only a diverse range of women from around the globe the african continent the hispanic territory of europe carian and ancient greece and rome iran great britain scotland ancient caledonia western europe and north america but also a diverse choice of artwork and artifacts eras and the nature of the wars being fought this book will be of value to those interested in gender across history and its interplay in the field of war

this book brings together a collection of works by scholars who have produced some of the most innovative and influential work on the topic of first world war nursing in the last ten years the contributors employ an interdisciplinary collaborative approach

that takes into account multiple facets of allied wartime nursing historical contexts history of the profession recruitment teaching different national socio political contexts popular cultural stereotypes in propaganda popular culture and longstanding gender norms woman as nurturer they draw on a wide range of hitherto neglected historical sources including diaries novels letters and material culture the result is a fully rounded new study of nurses unique and compelling perspectives on the unprecedented experiences of the first world war

this exciting 1995 collection of essays explores the inter relationship of gender and war in australia its focus is women s and men s experiences in wwi wwii and the vietnam war challenging the traditional images of men and women in wartime this book shows that war offers opportunities that erode gender boundaries

any readers who enjoyed the mix of romance intrigue and medical accuracy of call the midwife will love the war nurse new york journal of books an impeccably researched well drawn based on a true story tale written by a former rn the war nurse shines an important light on a woman whose story was until now lost to time kristin harmel new york times bestselling author of the book of lost names based on a true story the war nurse is a sweeping historical novel by usa today bestselling author tracey enerson wood that takes readers on an unforgettable journey through wwi france she asked dozens of young women to lay their lives on the line during the great war can she protect them superintendent of nurses julia stimson must recruit sixty four nurses to relieve the battle worn british months before american troops are ready to be deployed she knows that the young nurses serving near the front lines will face a challenging situation but nothing could have prepared her for the chaos that awaits when they arrive at british base hospital 12 in rouen france the primitive conditions a convoluted ineffective system and horrific battle wounds are enough to discourage the most hardened nurses and julia can do nothing but lead by example even as the military doctors undermine her authority and make her question her very place in the hospital tent when trainloads of soldiers stricken by a mysterious respiratory illness arrive one after the other overwhelming the hospital s limited resources and threatening the health of her staff julia faces an unthinkable choice to step outside the bounds of her profession and risk the career she has fought so hard for or to watch the people she cares for most die in her arms fans of martha hall kelly s lost roses and marie benedict s

lady clementine will devour this mesmerizing celebration of some of the most overlooked heroes in history the fierce determined and brave nurses who treated soldiers in world war i praise for the war nurse through careful research this book shows the incredible bravery and compassion of women who find themselves in extraordinary situations julia kelly international bestselling author of the last garden in england and the light over london a rich gripping history of one woman s lifelong battle against systemic prejudice stewart o nan award winning author of the good wife once again tracey enerson wood with her impeccable research and evocative prose kept me glued to the page wood has a talent for bringing strong yet lesser known women from history to life linda rosen author of the disharmony of silence a riveting and surprisingly timely story of courage sacrifice and friendship forged at the front lines kelly mustian author of the girls in the stilt house if you like me are a voyeur of historical drama that unfolds as if the kitchen window flew open and the characters were caught in action then the war nurse is for you diane dewey author of fixing the fates fans of patricia harman will love wood s treatment of medical expertise in a historical setting booklist

as warriors freedom fighters and victims as mothers wives and prostitutes and as creators and members of peace movements women are inevitably caught up in the net of war yet women s participation in warfare and peace campaigns has often been underestimated or ignored images of women in peace and war explores women s relationships to war peace and revolution from the amazons inka and boadicea to women soldiers in south africa mau mau freedom fighters and the protestors at greenham common the contributors consider not only the reality of women s participation but also look at how their actions have been perceived and represented across cultures and through history they examine how sexual imagery is constructed how it is used to delineate women s relation to warfare and how these images have sometimes been subverted in order to challenge the status quo the book raises important questions about whether women have a special prerogative to promote peace and considers whether the experience of motherhood leads to a distinctive women s position on war the authors find that their analyses lead them to deal with arguments on the basic nature of the sexes and to reevaluate our concepts of peace war and gender

the chief nurse of the union hospital in washington d c describes life and stress in the hospital and comments on notable persons of power her heretofore unpublished diary and letters comprise a fresh highly significant document concerning the medical history of the civil war and the contributions of women nurses in the northern military hospitals this book is edited with introduction and commentary by john r brumgardt

the close association between nurses and hospitals obscures the diversity and complexity of nursing work in other contexts this collection looks at nurses and nursing in a wide range of settings from the mid 1800s to the 1970s including indigenous women on the canadian prairies first world war nurses posted overseas outpost nurses in rural and remote areas of saskatchewan ontario and quebec public health nurses in winnipeg and religious congregations in nursing education in new brunswick the

contributors use feminist and historical perspectives to illustrate how place understood as both social context and geographic setting shaped nursing identities and practices many nurses found place both liberating and constraining often simultaneously paying attention to place also situates these nurses and their work within larger historical themes of nation building war and political change

since the pioneering work of nineteenth century nurses such as florence nightingale dorothea dix and clara barton professional nurses have been involved in caring for the sick and wounded in combat situations this book contains the accounts of 14 nurses who served in the u s military nurse corps during the persian gulf and iraq wars these men and women describe how they found themselves serving during wartime the soldiers they cared for the professionals they worked with and the impact they made in their patients lives these varied accounts attest to the tremendous impact this profession has on the lives of individual soldiers and the health of armies at large

jean elshtain examines how the myths of man as just warrior and woman as beautiful soul serve to recreate and secure women s social position as noncombatants and men s identity as warriors elshtain demonstrates how these myths are undermined by the reality of female bellicosity and sacrificial male love as well as the moral imperatives of just wars

nursing history review an annual peer reviewed publication of the american association for the history of nursing is a showcase for the most significant current research on nursing history regular sections include scholarly articles as well as reviews of the latest media and publications on nursing and healthcare history historians researchers and individuals fascinated with the rich field of nursing will find nursing history review an important resource the 30th volume of the review features a new section hidden in plain sight dedicated to highlighting nurses from underrepresented groups as well as a special past as prologue section that focuses on the 1918 influenza pandemic and covid 19 included in volume 30 we are capable of handling the current crisis even if it is just shift by shift nurses during the covid 19 pandemic face mask follies how a simple protective covering symbolized the state of nursing and american society in 1918 19 and 2020 imperial sisters patriotism and humanitarianism in the letters of british australian and new zealand professional nurses 1914 1918 home nursing gender and confederate nationalism in

the american civil war 1861 1865 red white and black the debate over the active service of black nurses in the united states during the first world war an analysis of nigerian igbo petitions to u s missionary nurses 1965

the ypres salient saw some of the bitterest fighting of the first world war the once fertile fields of flanders were turned into a quagmire through which men fought for four years in casualty clearing stations on ambulance trains and barges and at base hospitals near the french and belgian coasts nurses of many nations cared for these traumatized and damaged men drawing on letters diaries and personal accounts from archives all over the world the nurses of passchendaele tells their stories faithfully recounting their experiences behind the ypres salient in one of the most intense and prolonged casualty evacuation processes in the history of modern warfare nurses themselves came under shellfire and were vulnerable to aerial bombardment and some were killed or injured while on active service alongside an analysis of the intricacies of their practice the book traces the personal stories of some of these extraordinary women revealing the courage resilience and compassion with which they did their work

this book examines the work that nurses of many differing nations undertook during the crimean war the boer war the spanish civil war both world wars and the korean war it makes an excellent and timely contribution to the growing discipline of nursing wartime work in its exploration of multiple nursing roles during the wars it considers the responsiveness of nursing work as crisis scenarios gave rise to improvisation and the sometimes quite dramatic breaking of practice boundaries the originality of the text lies not only in the breadth of wartime practices considered but also the international scope of both the contributors and the nurses they consider it will therefore appeal to academics and students in the history of nursing and war nursing work and the history of medicine and war from across the globe

i am on night duty on what is supposed to be the hopeless ward so you can imagine or try to just what i am doing i know you cannot really have the faintest idea in sister soldiers of the great war award winning author cynthia toman recovers the long lost history of canada s first women soldiers nursing sisters who enlisted as officers with the canadian army medical corps these experienced professional nurses left their friends families and jobs to enlist in the army granted relative rank and equal pay to

men they had a mandate to salvage as many sick and wounded men as possible for return to the front lines nothing prepared them for poor living conditions the scale of casualties or the type of wounds they encountered but their letters and diaries reveal that they were determined to soldier on under all circumstances while still living as well as possible

eighteen nurses who served in the united states military nurse corps during the vietnam war present their personal accounts in this book they represent all military branches and both genders they served in the theater of combat in the united states and in countries allied with the u s they served in front line hospitals hospital ships large medical centers and small clinics they speak of caring for casualties during a conflict filled with controversy and of patriotism of the nursing profession of travel and the adventure of friendship and love

the authors demonstrate how u s nurses have worked throughout their history to restore patients to health teach health promotion and participate in disease preventing activities recounting those experiences in the nurses own words the authors bring that history to life capturing nurses thoughts and feelings during times of war epidemics and disasters as well as during their everyday work the book fills a gap in the secondary literature on the history of nursing that can be useful in these times of great social change it is a must read for every nurse in the united states barbra mann wall phd rn faan director of the eleanor crowder bjoring center for nursing historical inquiry university of virginia from the foreword for over four hundred years a diverse array of nurses nurses aides midwives and public minded citizens across the united states have attended to the healthcare of america s equally diverse populations beginning in 1607 when the first englishmen landed in virginia and concluding in 2016 when flint michigan was declared to be in a state of emergency this expansive nursing history text for undergraduate and graduate nursing programs examines the history of the nursing profession to better understand how nursing became what it is today grounded in the premise that health care can and should be promoted in partnership with communities to provide quality care for all this history analyzes the resilience and innovation of nurses who provided care for the most underprivileged populations such as slaves on southern plantations immigrants in tenements in manhattan s lower east side and isolated populations in rural kentucky it takes into account issues of race class and gender and the influence of these factors on nurses and

patients featuring nearly 300 photos oral histories and case examples from varied settings in the united states and beyond the narrative discusses major medical advances prominent leaders and grassroots movements in nursing and ethical dilemmas that nurses faced with each change in the profession chapters include discussion questions for class sessions as well as a list of suggested readings key features examines the history of nursing during the last four centuries links challenges for nurses in the past to those of present day nurses includes oral histories case examples boxed highlights call outs discussion questions archival sites and references covers drugs technological innovations and scientific discovery in each era demonstrates progression toward a culture of health as described by the robert wood johnson foundation

contexts of nursing 3e builds on the strengths of previous editions and continues to provide nursing students with comprehensive coverage of core ideas and perspectives underpinning the practice of nursing the new edition has been thoroughly revised and updated new material on cultural awareness and contemporary approaches in nursing has been introduced to reflect the realities of practice nursing themes are discussed and are supported by illustrated examples and evidence each chapter focuses on an area of study within the undergraduate nursing program and the new edition continues its dis

the first world war cannot be sufficiently documented and understood without considering the analytical category of gender this exciting volume examines key issues in this area including the home front and battlefield violence pacifism citizenship and emphasizes the relevance of gender within the expanding field of first world war studies
