many churches have active worship committees or planning teams and an abundance of books and resources guide pastors and laity encounters with the holy offers a conversational model of worship planning that was developed to train practitioners to be more reflective in their planning of worship experiences the model planning ordering worshiping reflecting is a flexible fluid pattern it provides a more circular spiraling practice of imaginative planning preparing the leaders and the space and reflecting theologically to understand more fully the experience of worship it has been tested in congregations seminaries and campus ministries amid a wide range of denominational and cultural styles an underlying theological assumption of this approach is that we are engaged in holy work when we plan and prepare for worship leaders study preparation and training are themselves an encounter with the holy therefore we are called to become more informed and better prepared liturgical leaders the language and encouraging style of the book is accessible to student pastors pastors and lay people interested in learning to think more deeply about worship

much more than a how to for worship planners drawing on more than two decades of collaborative worship planning as well as numerous conversations with other worship planners pastor howard vanderwell and musician norma de waal malefyt lay out a thoughtful field tested process for planning implementing and evaluating life enriching weekly worship well over a dozen field tested tools and a selected bibliography round out this invaluable resource for worship planners

getting ready for sunday a practical guide to worship planning can help you lead worshipers into god s presence to present their worship to him

the guidelines booklets one for each ministry area are tools that enable you to help get new lay leaders off to a good start each booklet includes the basic job description for the leader as well as practical how to information important to implementing ministry effectively brief and to the point for the busy but spirit led leader these guidelines take some of the unknown out of leading these ministry areas one booklet for each title makes up this set of 26 guidelines perfect for making them available to all church members the twenty six guidelines one for each ministry area cover church leadership areas including church council and small membership church the administrative areas of finance and trustees and ministry areas focused on nurture outreach and witness including worship evangelism stewardship and christian education age level ministries communications and more the download file of a product is copyrighted just as a print resource is copyrighted in the case of the guidelines set of 26 the purchaser can extract one copy of each booklet for an individual to use for example one copy can be extracted for the chair of the stewardship committee one for the person responsible for adult ministries one for the lay leader additional copies are purchased separately as needed download files for each individual booklet are sold separately just as print copies of the booklets are sold separately

the teaching hymnal ecumenical and evangelical is a teaching resource that provides a new generation of worshipers the opportunity to draw upon the rich history of the use of hymns and hymnody in the church it contains a body of hymns and worship songs worship services and templates material that explains the sources of hymns and songs hymnal usage the sources of historic prayers and worship texts and it provides essays on worship planning and leading it also contains a thorough glossary of worship terms this is a complete guide to hymn usage and worship planning designed especially for use in seminaries and christian colleges

every church has one the song list a typical church s master song list is often a monster list it contains hundreds of songs the songs the church currently sings used to sing and a bunch they ve forgotten the songcycle how to simplify worship planning and re engage your church helps you turn your overgrown song list into an efficient effective tool that serves you your team and your church check out how the songcycle can help not only your worship ministry but also your whole church introduce new songs in a way that stick with your team and your congregation get more life and impact out of your songs by having an intentional system to rotate songs gain more time by streamlining your planning process make more room for great songs by knowing when to retire songs that no longer resonate with your church create more consistency from sunday to sunday especially when your church uses multiple leaders and teams give your team a chance to truly learn the songs they are leading the extra confidence and freedom will help them model worship like never before help your congregation engage in worship by limiting your active song catalog the better they know the songs the better they can engage the songcycle is for busy worship leaders it s got short chapters that you can easily reference as you need them it has a quick start guide for you leaders who don t want to read the whole book you ll also get access to the the songcycle workbook a 29 value the workbook contains worksheets and tips for creating your own songcycle the songcycle can work for traditional churches and contemporary churches small churches and mammoth churches and churches with multiple full time worship staff and those that are led by one volunteer your song list is a huge part of your church s language of worship as well as a teacher of doctrine and theology you need a system to make your song list the best it can be the songcycle will walk you step by step as you create and refine a life giving song list

the black church studies reader addresses the depth and breadth of black theological studies from biblical studies and ethics to homiletics and pastoral care the book examines salient themes of social and religious significance such as gender sexuality race social class health care and public policy while the volume centers around african american experiences and studies it also attends to broader african continental and diasporan religious contexts the contributors reflect an interdisciplinary blend of black church studies scholars and practitioners from across the country the text seeks to address

the following fundamental questions what constitutes black church studies as a discipline or field of study what is the significance of black church studies for theological education what is the relationship between black church studies and the broader academic study of black religions what is the relationship between black church studies and local congregations as well as other faith based entities the book s search for the answers to these questions is compelling and illuminating

for the pastor of a busy church sundays can seem to come speeding straight ahead on a collision course with the pulpit planning worship is one of the most important jobs of the week but urgent tasks often crowd out the time for preparation pastor and lay speaker trainer lori broschat offers solid assistance in worship planning guidebook broschat includes a rationale for each element in a typical protestant service of the word and a range of possible prayers litanies and sermon starters to use for those elements this book is filled with creative ideas that can bring instant relief to the worship planner worship planning guidebook is also an excellent training tool for developing the skills of a lay worship team

spiritual formation is the key to the survival of our faith according to worship leader rory noland in order to stem the tide of nominal christianity we need to reclaim our worship services as formative spaces that are substantive and purposeful combining discipleship and worship what noland calls transforming worship he offers a vision for worship as spiritual formation

whether liturgical or non liturgical the corporate worship gathering of the church uses structure to order the elements of the service the structure utilized is a type of narrative and thus can sustain the rigors or research within a communication context the purpose of this study is to explore worship planning models and strategies from a communication perspective and introduce the utilization of a communication theory walter fisher s narrative paradigm as a possible model or strategy for planning worship for a church s weekend service leaf v

rooted in real life practice with accessible non technical text this attractive guide inspires all worshippers to think about how worship changes us a key part of the liturgical commission s transforming worship initiative this guide provides a rich source of ideas for pccs worship planning groups and ministry teams not only that it s an invaluable aid to get the whole church involved in transforming worship

drawing upon his experience in teaching this material over the past twenty five years in forty countries ron man provides a rich and deep examination of biblical worship drawing principles out of a rigorous study of the text of scripture he also writes as a practitioner from the perspective of one who served as a church worship pastor for twenty two years features distinguishing this book from other similar studies include 1 a tracing of the foundational revelation and response pattern through the scriptures 2 a more thorough treatment of new testament texts than is often found 3 a comprehensive treatment of the crucial role of jesus christ as the true leader of our worship 4 a consideration of worship as it relates to world missions and 5 a concluding summary of twelve biblical principles of worship synthesizing the results of the study

written in a light easy to read and easy to understand style things they never tell you before you say yes tackles many of the difficult areas of music leadership containing examples of real life situations and solutions the volume will give choir directors a higher level of confidence with their music ministry and will help music directors become more comfortable with difficult areas of music leadership the focus of this book is on the non musical aspects of church music ministry library robes budgets long range anthem planning staff relationships parents of members relationship what to tell substitutes equipment maintenance and so forth these issues can overwhelm the volunteer or first timer who was expectation little more than learning music and teaching it to the choirs robin knowles wallace presents practical how to ways get a handle of these issues and deal with them efficiently market church choir directors church music directors
