how can such a gentle people as we are be so murderous a prominent

indonesian asks that question and the mysteries of the archipelago's vast contradictions haunt theodore friend's remarkable work a narrative of indonesia during the last half century from the postwar revolution against dutch imperialism to the unrest of today part history part meditation on a place and a past observed firsthand indonesian destinies penetrates events that gave birth to the world's fourth largest nation and assesses the continuing dangers that threaten to tear it apart friend reveals sukarso's character through wartime collaboration with japan and suharto's through the mass murder of communists that brought him to power for thirty two years he guides our understanding of the tolerant forms of islam prevailing among the largest muslim population in the world and shows growing tensions generated by international terrorism drawing on a deep knowledge of the country's cultures its leaders and its ordinary people friend gives a human face and a sense of immediacy to the self-inflicted failures and immeasurable tragedies that cast a shadow over indonesia's past and future a clear and compelling passion shines through this richly illustrated work rarely have narrative history and personal historical witness been so seamlessly joined

this paper highlights that 10 new members joined the european union on may 1 2004 in the biggest enlargement of the community since its inception however the core economic concern is the weak growth performance of europe and particularly of the 12 countries at the epicenter of european integration that use the euro as their common currency relative to the rest of the world and especially the united states the paper highlights that underlying this concern are the problems of sagging long term trends in the growth of productivity and the use of labor resources

the u.s. empire has relied upon an almost unimaginable loss of life from its inception during the european colonial period to the present and yet in the face of a series of endless holocausts at home and abroad the doctrine of american exceptionalism has plagued the globe for over a century in endless

holocausts author david michael smith demolishes the myth of exceptionalism by demonstrating that manifold forms of mass death far from being unfortunate exceptions to an otherwise benign historical record have been indispensable in the rise of the wealthiest and most powerful imperium in the history of the world at the same time smith points to an extraordinary history of resistance by indigenous peoples people of african descent people in other nations brutalized by u s imperialism workers and democratic minded people around the world determined to fight for common dignity and the sake of the greater good back cover

publisher description

few first ladies have enjoyed a better reputation among historians than edith kermit roosevelt aristocratic and sophisticated tasteful and discreet she managed the white house with a sure hand her admirers say that she never slipped in carrying out her duties as hostess mother and adviser to her husband lewis gould s path breaking study however presents a more complex and interesting figure than the somewhat secularized saint edith roosevelt has become in the literature on first ladies while many who knew her found her inspiring and gracious family members also recalled a more astringent and sometimes nasty personality gould looks beneath the surface of her life to examine the intricate legacy of her tenure from 1901 to 1909 the narrative in this book thus uncovers much new about edith roosevelt far from being averse to activism edith roosevelt served as a celebrity sponsor at a new york musical benefit and also intervened in a high profile custody dispute gould traces her role in the failed marriage of a united states senator her efforts to secure the ambassador from great britain that she wanted and the growing tension between her and helen taft in 1908 1909 her commitment to bringing classical music artists to the white house along with other popular performers receives the fullest attention to date gould also casts a skeptical eye over the area where edith roosevelt s standing has been strongest her role as a mother

he looks at how she and her husband performed as parents and dissents from the accustomed judgment that all was well with the way the roosevelt offspring developed most important of all gould reveals the first lady s deep animus toward african americans and their place in american society she believed that any mixture of races is an unmitigated evil the impact of her bigotry on theodore roosevelt s racial policies must now be an element in any future discussion of that sensitive subject on balance gould finds that edith roosevelt played an important and creative part in how the institution of the first lady developed during the twentieth century his sprightly retelling of her white house years will likely provoke controversy and debate all those interested in how the role of the presidential wife has evolved will find in this stimulating book a major contribution to the literature on a fascinating president it also brings to life a first lady whose legacy must now be seen in a more nuanced and challenging light

brief biographies of eight vice presidents who succeeded to the presidency when the incumbent died in office
