c f d moule shows how the earliest christian writing developed as a response to the daily demands of christian life in societies indifferent or even hostile to christianity and how the selection of certain writings to constitute the basis of christian belief was a response to specific needs

a biography of the first prime minister of israel who s life and activities parallel the establishment and history of israel

this catechism is divided into three parts the first part treats of faith the second of morals the third of the means of grace in the first part our lord appears in his character of teacher in the second in his character of king and in the third in his character of high priest and since this catechism proposes as its primary object to answer the question for what purpose are we here upon earth thereby emphasizing and giving prominence to man s high calling and destiny it is especially suited to the present day when the pursuit of material interests self indulgence and pleasure engrosses the attention of so many this catechism is in fact nothing more nor less than an abstract of our lord s teaching and may be called a guide book for the christian on the road to heaven preface

since jan 1901 the official proceedings and most of the papers of the american association for the advancement of science have been included in science
