louis bird a distinguished aboriginal storyteller and historian presents some of the most vivid legends and historical stories from his collection casting new light on his people s history

culture and values

in this pioneering work one of the world's leading experts on native american traditions offers a detailed survey of native american practices and beliefs regarding health medicine and religion in contrast to the sharp euro american division between medicine and religion native american medical beliefs and practices can only be assessed says the author in their relation to their religious ideas spanning the full length and breadth of native north american cultural areas from the northeast to the southwest the southeast to the northwest the book offers thick descriptions of traditional native american medical and religious beliefs and practices demonstrating that for native americans medicine and religion are two sides of the same coin a coherent and holistic system in which supernaturalism acts as a motor in healing

this book presents personal narratives of the author's adventures and travels in morocco in late 19th century

faith matters analyzes the connections between religion ethnicity and survival in the fiction of two of the best known u s american ethnic authors the nobel prize winning african american writer toni morrison and the internationally acclaimed chippewa indian louise erdrich drawing on the historical literary and theoretical background of their novels the study exposes the central role of religion in the articulation of an independent ethnic identity for both writers this interdisciplinary approach moves beyond the realm of fiction to acknowledge a distinctively ethnic understanding of religion which revises the established view of an either radically secularized or fundamentally religious u s american society faith matters thus offers a reinterpretation of the function of religion both in american ethnic culture and in the larger u s american context

this anthology of indian and metis writing in canada in the twentieth century includes genre ranging from traditional myths legends and poetry to memoirs biography and contemporary literature

native american starlore has instructed and entertained non natives for generations yet until recently the importance of this extensive body of tradition and acute observation has been

ignored or viewed by non natives simply as crude means to astronomical insight in this edited collection seventeen folklorists and astronomers consider american starlore and its relation to specific observation of the sky in terms of its native uses and interpretations far from being another recount of sky mythology this is a book that relates clear descriptions of astronomical phenomena and mechanics to interpretation and ritual usage from all areas of north america navajo seneca alabama pawnee lakota apache and other peoples are represented rather than focus on pristine astronomies the contributors to this volume consider ongoing traditions and contemporary usages a broad perspective on the exciting new field of ethnoastronomy as well as fascinating insight into native american wisdom

this dictionary containing more than 1 300 entries is a careful selection of the distinctive stories characters themes symbols and motifs that interweave the traditions of over 100 different native american cultures the alphabetically arranged entries are rigorously cross referenced allowing the reader to pursue in depth a particular path of inquiry each entry cites tribal origin and the corresponding geographic region these regions in turn are keyed to ten tribal territory maps that pinpoint exact tribe locations book jacket

susan gray offers a new perspective on missionary aboriginal encounters among the berens river ojibwa and christian missionaries between 1875 and 1940 i will fear no evil moves beyond a simple chronicle of how christian elements were introduced and adopted by the ojibwa gray recognizes and highlights a complicated ebb and flow of ideas and beliefs between the two groups conversions and the adoption of christianity had multi dimensional meanings and were interpreted in a variety of ways by the berens river ojibwa christian rituals and practices were integrated into their worldview in ways that were meaningful to the participants today both christian and ojibwa ideas are interwoven into the lives of berens river residents and both traditions hold meaning and are observed with sincerity their dynamic complex and adaptive religion sheds new light on the understanding of cultural contact and change
