author of the trick to money is having some stuart wilde teaches us how to consolidate your inherent power and transcend all limitations by releasing yourself from the constraints of your ego the 33 energies of man is an ancient teaching of energies to allow humans to transform into a high state of consciousness stuart has taken these complex teachings and created infinite self 33 steps to reclaiming you inner power to allow his readers to raise their energy gain awareness and set you free

please note this is a companion version not the original book sample book insights 1 the first

step in the 33 steps is called i am god you must accept the idea that the god force is within you when you perceive god as a force outside of you you can't use its energy properly once you internalize the force and it is not just a vague intellectual concept of the god within then you can feel the god force inside of you 2 your first power is to believe in god this may seem egotistical but you are not embracing the idea of god to talk about it or show off your godlike qualities rather you are silently internalizing the idea that the god force is within you as a spiritual feeling 3 to become free and activate the infinite self you must abandon the dogma of the ego and adopt a more fluid and open approach otherwise you are perpetually stuck in the agony of the ego 4 you are the god force within you have the power to control your life you must accept the infinity within you and begin to rely on the power of your intellect and perceptions of the ego's world

three of stuart wilde's bestselling books are included in this beautifully packaged self-empowering anthology miracles stuart makes the point that creating miracles in our lives is no more complicated than understanding the metaphysics of the universal law which states that within human beings there lies an immense power and this power

author of the trick to money is having some life was never meant to be a struggle just a gentle progression from one point to another much like walking through a valley on a sunny day stuart analyzes why we as humans are constantly making life harder for ourselves and how to stop this detrimental mind loop and inner belief that life is a struggle through this book stuart helps you identify your struggle why it has appeared in your life and eliminate it take back your freedom and create a life struggle free

this inspirational book serves as a magnificent battle plan where you learn to expand the power you already have in order to win back absolute control of your life getting clear about what it is you want is the first step in materializing your goals once you know what it is you want you will move ahead as if the universe has already granted your wish as you do that the energy begins to build it begins to shape itself from your feelings and thoughts and eventually the power is so strong that the energy moves from strong fantasy to reality stuart wilde gives you the tools to bring powerful affirmations into your daily life and to understand and overcome barriers both

within and without

the thoughts and ideas in this book form the basis of stuart wilde s philosophy on how to develop a more liberated mind set and thus a more carefree and delightful life the thoughts and essays are from his best selling books as well as his unpublished writings you can just open the book anywhere and start reading usually you ll find that the first few pages you read will feature some helpful hints that are very relevant to some aspect of your current life somehow synchronicity will always lead you to exactly what you need to know so if you want your spiritual concepts short and sweet then this book will suit you perfectly as stuart says any philosophy that you can t haul down to the bank or up to the airport ain t worth having newly revised and updated

silent power like its bestselling predecessor life was never meant to be a struggle is a tiny book filled with practical advice on living more fully using your silent power author stuart wilde claims that there is a silent power within you an inner knowing that grows because you understand its infinity silent power teaches you hour by hour it is with you this very minute as you begin to trust your power it can lead you step by step to the next person and place in your life

it s a marvelous thing to know that you have the courage discipline and follow through to enliven your consciousness in this groundbreaking book stuart wilde brings to light new and compelling information about the sixth sense and tells you how to develop it he defines this sixth sense as sacred energy that taps you into the state of all knowing once you discover the sixth sense etheric point of view it opens the energy centers in your subtle body and you take on more light going naturally from stiff to pliant flowing with life rather than struggling with it stuart tells us in sixth sense that what you need is inner power a personal charisma a spiritual power an extrasensory perception that makes you bigger than life you garner that energy through compassion kindness introspection and solidity after reading this book your perception of life in all its subtlety and vastness will reach beyond the mundane to a special level of spirituality

in this book stuart wilde explains that the force is a part of each and every thing in the

physical plane this includes our planet the stars and galaxies and the physical universe as it stretches out into space beyond our perception by its very nature the force is immortal and never ending because it is the inner light or livingness within all things we call it universal

stuart shows how many of the opinions in our society that cause us anguish can be released through some psychological and spiritual understanding he reveals the techniques that can help liberate you from the perceptions of others and thus set you free

the quickening is the fourth in a series of books on self empowerment by stuart wilde it discusses the power of the ancient warrior sages and it teaches you etheric life force and psychological techniques for consolidating your energy the world of the common man is about to unravel like never before i seek the attention of those that are strong and getting stronger it is only through the power of these individuals that the spirituality of the world will survive the hurricanes of change there is little time stuart wilde

for decades modern seekers have experimented and studied with many diverse teachers and religions but stuart wilde says in that toward the end of a long spiritual journey we all seek the same thing redemption none of us is perfect and yet through embracing that imperfection and reconciling it we become a complete being encompassing both the light and the dark as stuart says many mystics holy people and even the hopi indians have predicted a new age of enlightenment and they are not wrong in my view it has arrived and with it has come a whole host of fascinating phenomena never seen before we are stepping into a magical new era the age of forgiveness it is when the ivory tower of the ego's ideas falls that we can then embrace a new humility allowing us to become ever more genuine compassionate and real in this fascinating book stuart makes the point that the process of redemption and forgiveness comes from incorporating the three graces in one's heart tenderness generosity and respect

author of the trick to money is having some stuart wilde presents the ten laws of abundance and money showing us that we can align effortlessly with good fortune we only remember that money is the root of all evil but the actual quotation is the love of money is the root of all evil money of itself is a symbol of appreciation a gesture of goodwill and compassion stuart wilde stuart

reveals the psychological aspects of the money game as well as the deeper metaphysical secrets of prosperity he reminds us that comprehending the ebb and flow of money in our lives is one of the great spiritual lessons of the earth plane as are physical balance love and interpersonal relationships throughout history philosophers and great religious leaders have taught us that there is divine abundance which ebbs and flows through our lives as the seasons do money is just a symbol of the infinite goodness that gave us life the little money bible lets us know that we can be rich and spiritual with wealth we can help others strengthen themselves so that they can also accumulate money abundance stuart reminds us is our birthright

money making is not a serious business it is a game that you play at first it may seem that it is a game that you play with forces outside yourself the economies of the market place so to speak but as you proceed you discover it is actually a game you play with yourself stuart wilde's money book his fifth work deals with the e s p of easy money and the art of being in the right place at the right time with the right idea and the right attitude like his other highly successful books this work is full of useful information his breezy and comical style make for effortless reading as you plot your path to complete financial freedom
