the church exists for the sake of the world the crucial ecclesiological question
that this book raises is how how does the church exist for sake of the world
one can describe the theological reflections in this book as a form of concrete
ecclesiology critical theological reflections on the way the church is manifested
in social and historical contexts as a social body by using concepts like body
queer human rights practices social process and space the manifestations of
the concrete church are critically and constructively analyzed from a
theological perspective the arguments in the articles were presented at a
symposium in sweden the purpose of the symposium was not to reach
consensus but to stimulate creative and critical discussions concerning
theology politics and the identity of the church with a focus on church of
sweden american theologian william t cavanaugh who has made himself known
as a distinct voice in the discussion of ecclesiology and politics participated and
contributes with critical and constructive reflections on the relationship
between church and state this book offers important arguments and
reflections into the discussion on ecclesiology and politics that has relevance
far beyond the swedish context contributors jonas idestr m william t
