Schaefer Polly Young-Eisendrath

Dr Raymond J. Corsini is a recognized authority on new and innovative therapy techniques and the first edition of the handbook of innovative therapy is the leading manual in the field since its publication many new and compelling techniques have been introduced

in mind fields thomas j cottle argues that the period known as adolescence is essentially a social construct influenced greatly by popular culture to understand young people therefore is to recognize how the very consciousness of adolescents is shaped by a culture dominated by the entertainment industry and the power of television and the computer constantly urging them to turn away from the normal evolution of their personal and social lives in this fundamentally distracting environment young people explore their consciousness sharing it with others as well as form their sense of identity all the while having these most inner experiences affected as much by the culture as by their own temperaments and personalities it is the culture that determines the forms of recognition and independence as well as intimacy and attachment that adolescents must learn in the end the author argues for the value of self reflection as a critical ingredient of identity formation and a fundamental antidote to distracting cultural influences

learn how to incorporate adult play therapy into your practice with this easy to use guide in the western world there has been a widening belief that play is not a trivial or childish pursuit but rather a prime pillar of mental health along with love and work play therapy with adults presents original chapters written by a collection of international experts who examine the diverse approaches and clinical strategies available for successfully incorporating play therapy into adult client sessions this timely guide covers healing through the use of a variety of play therapy techniques and methods various client groups and treatment settings are given special attention including working with adolescents the elderly couples individuals with dementia and clients in group therapy material is organized into four sections for easy reference dramatic role play therapeutic humor sand play and doll play play groups hypnoplay and client centered play play therapy with adults is a valuable book for psychologists therapists social workers and counselors interested in helping clients explore themselves through playful activities
