for anyone working with business and consumer contracts this book provides essential information and advice on the statutory controls available to guard against the misuse of exclusion clauses

this book comprehensively explains the meaning scope and applications of all important clauses in business contracts the clauses include among others integration no oral modification termination damages and indemnity clauses the book engages the reader with its innovative approach that the clauses are founded

on common sense principles of contract law it draws from the english court judgments mostly the united kingdom supreme court and the court of appeal which have been at the forefront in expeditiously interpreting the contract terms as the same clauses are being used everywhere the book is relevant in all the jurisdictions the contract terms are being borrowed adopted and adapted globally and the courts are interpreting the meaning and scope of the terms business managers business leaders government officers and policy makers world over work with domestic and international contracts and will find take aways from the book students of business management and business studies can use it as a textbook for elective courses in business management on negotiating and managing business contracts it can also be used as a textbook for executive education of business managers and government officers

the book examines directive 93/13 on unfair terms in consumer contracts and its implementation

since the introduction of the european unfair contract terms directive uctd there have been far reaching developments in the digital landscape which have significantly altered the nature of consumer contracts this timely book examines the changes that have taken place since the advent of the uctd and analyses the challenges that they pose for consumers entering online standard form contracts today

ever since the directive on unfair terms in consumer contracts of 1993 the european project has been working intensively towards harmonization of contract law across all eu member states to date virtually none of the many problems that have arisen have been resolved the secola annual conference convened in prague in 2005 to consider the specific topic of unfair terms and to imagine ways in which the obstacles raised by this provocative issue might be overcome in this book which presents revised versions of the papers presented at that conference fourteen outstanding european scholars examine basic questions about the differing conceptions of contract law in the national legal systems of the member states divergent legal techniques such as interpretation of contract and divergent approaches to legal reasoning and contrasting views about the nature of the problems presented by unfair terms in contracts among the contentious matters discussed are the following the tension between party autonomy and social justice control over freedom of contract in the name of substantive fairness and efficiency interpretation of contract terms the intrusion of competition law into contract law the disputed meanings of good faith and legitimate expectations the requirement of plain intelligible language and characterization problems above all the essays ask can harmonization of european contract law be achieved and if so how the answers offered not only clarify the stage we have arrived at in this ongoing initiative but also identify the essential conflicts that must be understood if we are to secure meaningful regulation of contract terms at a transnational level for these reasons the book is enormously valuable to all parties interested in this crucial component of european integration

this second edition of contracting for services in state and local government agencies provides state of the art tools for best practice in the procurement of services at state and local levels from initial stages through to completion including lively case studies and research conducted with state and local agencies across the united states this book provides management advice and tips on compliance to reduce costs select the best qualified contractors manage contractors performance

and prevent corruption and waste utilizing the results of new research in all fifty states author william sims curry offers updated best practice documents methodologies and templates including a request for proposal rfp a scorecard for proposals to select the best qualified contractor a toolkit for meeting socioeconomic contracting goals without compromising price quality or on time delivery and a model services contract msc special consideration is given to obtaining services and products in states of emergency several additional resources for practitioners are available online including sample contracts and a straightforward inexpensive tool for tracking contractors progress and cost management the roadmap and templates contained in this book and available online to readers will prove essential to state and local government agency contracting professionals and other officials and employees called upon to participate in the drafting of solicitations writing sole source justifications writing scopes of work serving on advance contract planning and source selection teams recommending award of contracts or assisting in the management of those contracts
