this report contains the 2018 peer review report on the exchange of information on request of france

this publication contains the supplementary phase 1 peer review report for costa rica

this book explores the concept of beneficial ownership in equity law the domestic tax laws of the united kingdom canada and the united states as well as its varied and increasing uses in international tax law by analysing the evolution of beneficiary rights in equity and the use of beneficial ownership wording in tax law the book draws a roadmap for dealing with beneficial ownership in both national and international tax law this approach highlights those common misconceptions that can be avoided by understanding the origins of the concept and its engagement with equity as well as the differences with tax law however the book does not limit itself to dealing with theoretical discussion but also offers an instructive and detailed practical case study offering both academic commentary and a practitioner focus the book will be of the utmost interest to scholars and practitioners from common and civil law countries dealing with tax and estate law particularly given beneficial ownership s increasing relevance

this report contains the 2018 peer review report on the exchange of information on request of singapore

eu enforcement authorities are on the rise entrusted with investigating breaches of eu law by individuals and economic actors what are the implications for legal practice of their increasing prominence this book explores this pertinent question from a constitutional and comparative perspective it sets out the perimeters for composite enforcement and explores the relevant issues such as the interface between criminal and administrative law enforcement the protection of fundamental rights and legal protection as well as the admissibility of evidence including unlawfully obtained evidence given the very real implications of the authorities investigations this book will appeal to practitioners and scholars in fields from criminal law to competition and banking law

we analyze the impact of exchange of information in tax matters in reducing international tax evasion between 1995 and 2018 based on bilateral deposit data for 39 reporting countries and more than 200 counterparty jurisdictions we find that recent automatic exchange of information frameworks reduced foreign owned deposits in offshore jurisdictions by an average of 25 percent this effect is statistically significant and as expected much larger than the effect of information exchange upon request which is not significant furthermore to test the sensitivity of our findings we estimate countries offshore status and the impact of information exchange simultaneously using a finite mixture model the results confirm that automatic and not upon request exchange of information impacts cross border deposits in offshore jurisdictions which are characterized by low income tax rates and strong financial secrecy

this publication is the first edition of the full version of the standard for automatic exchange of financial account information it contains the text of the model competent authority agreement and the common reporting standard and the commentaries thereon as they read on 15 july 2014

this paper was commissioned by the singapore management university smu with a focus on singapore in this paper the author examines the advent of global standards for automatic exchange of information following intense political interest in the european union and the usa from an eu law perspective the author focuses on several instruments the savings directive the mutual assistance directive the commission s tax transparency package and the development of
