the covid 19 pandemic affected a wide range of global sectors but one of the most important is education the transition from classroom to computer screen was a difficult one for many asian students parents and teachers since this transition global education systems now mostly depend on online technology it is crucial that the impact of the pandemic on education is not only examined from a western point of view but also from eastern perspectives the handbook of research on asian perspectives of the educational impact of covid 19 provides the current issues the education sector is facing in the aftermath of the covid 19 pandemic this book investigates the issues and challenges the education sector is facing as well as the future directions needed to provide education in a more effective way covering topics such as academic perspectives university level employees and leadership challenges this book is a dynamic resource for students teachers pre service teachers school administrators education providers faculty researchers policymakers and academicians

this book examines the critical changes to the asia pacific security architecture emerging in the context of shifts in the global order as the obama administration's major strategic innovation and likely legacy unfold the author reviews the state of the international security system during the obama presidency recording the administration's asia pacific inheritance and tracing its efforts to chart a collaborative course aimed at retaining us primacy amidst strategic turbulence while security discourses are coloured by relative us decline and china's rise

the book points out the competitive cooperative complexity of interactions with symbiotic economic ties moderating rivalry focusing on the military security cutting edge of sino us dynamics the narrative outlines the dangers posed by extreme nationalist dialectics in an interdependent milieu it examines the policies of japan australia india and russia towards the evolving sino us diarchy while recording washington's and beijing's contrasting approaches to these allies and possible adversaries the book concludes with observations on the loss of definition and clarity as the system evolves with multiple actors bidding for influence and the need for statesmanship as the systemic fulcrum moves from the atlantic to the pacific ãe this book will be of interest to students and scholars of international politics asian politics american politics international security and international relations

this important contribution to the sociolinguistics of asian languages breaks new ground in the study of language standards and standardization in two key ways in its focus on asia with particular attention paid to china and its neighbours and in the attention paid to multilingual contexts the chapters address various kinds of sometimes hidden multilingualism and examine the interactions between multilingualism and language standardization offering a corrective to earlier work on standardization which has tended to assume a monolingual nation state and monolingual individuals taken together the chapters in this book thus add to our understanding of the ways in which multilingualism is implicated in language standardization as well as the impact of language standards on multilingualism the introduction chapter 6 and chapter 8 are free to download as open access publications under a cc by nc licence you can access them here [introduction zenodo org record 5749388 yaiwundp3cs](https://zenodo.org/record/5749388/yaiwundp3cs) chapter 6 [zenodo org record 5749522 yaiw 9dp3cs](https://zenodo.org/record/5749522/yaiw9dp3cs) chapter 8 [zenodo org record 5749586 yai0rndp3cs](https://zenodo.org/record/5749586/yai0rndp3cs)
